Common Scenarios (Training Q&A)

Scenario	what to do
Two clients want the same venue on the same date	Priority will be given to first booking; Others may alternate venue/date — tentative block
Guest count increased/decreased	Actual pax in billing; The parameter rule seems to be less than the guaranteed pax.
Advance cash aayi	Advance entry in booking form — print receipt
Client wants the bill in the company's name	In booking, Bill To = Company; post to city ledger on billing
Event got canceled	Cancel booking + advance adjustment note as per cancellation policy
Add extra services to the bill (DJ/decoration)	Extra service line item in Booking/Billing — with rate

Troubleshooting

Issue	Cause	Solution
Shows booked in venue availability	Tentative/confirmed booking	See who booked in Venue Status
Function sheet not printing	Booking incomplete	By verifying Venue/menu/timing fields
Menu rates missing in billing	Menu package not mapped	Set rates in Menu Items / select the package in booking
Advance bill has not been adjusted	Advance doosri booking pe	Booking no. in Advance List. please verify
Tax rate galat	Parameter wrong	Correct the tax rules in Banquet Parameter.
