1. Introduction & Module Overview

Banquet module weddings, conferences, parties aur corporate events ka complete lifecycle manage karta hai — enquiry se lekar final billing tak. Analysis HMS me Banquet flow: Enquiry aayi → Venue availability check → Follow-up → Booking confirm (advance ke saath) → Function sheet (kitchen/service ko) → Event execute → Proforma/Invoice → Final Billing + Outstanding follow-up. BANQUET EVENT LIFECYCLE: Inquiry → Follow-up → Booking (BEO - Banquet Event Order) → Function Sheet → Event Day → Billing → Payment Follow-up

Module Sections Overview

Section	Purpose	Key Screens
MASTER (Main Setup)	Venues, events, menus	Venue Master, Events, Venue Features, Menu Items, Banquet Parameter, Catalog Master
OPERATION	Enquiry to billing	Venue Availability, Booking Inquiry, Banquet Booking, Venue Status, Banquet Billing, Follow-up, Proforma, Advance List
REPORTS	Sales & operations	Sales Register, Cashier Report, Daily

Section	Purpose	Key Screens
		Function Sheet, Outstanding, Company/Item-wise Sale
TAX	GST compliance	Tax Reports

Banquet Data Flow (Technical Understanding)

Aap kya karte ho	Database	Kya hota hai
Inquiry record	bookinginquiry	Guest, date, venue, expected pax, status
Follow-up	booking_follow_ups	Har call/meeting ka note + next follow-up date
Booking confirm	booking + bookingdetail	BEO — venue, menu, timing, rates
Menu/plan	bookingplandetails	Selected menu packages
Billing	hallsale1/hallsale2	Banquet bill — venue + F&B + taxes

2. Master Module — Venue & Menu Setup

2.1 Venue Master & Features

Navigation Path: Main Setup ► Banquet ► Venue Master / Venue Features

Analysis Demonstration Package (103)
2026-27

Name: Short Name:

Area: Active Or Not:

Area Image: Choose file | No file chosen

Submit

Srt.	Name	Short Name	Dimension	ActiveYN	Image	Action
1	Crestal Hall	Cre	110*150	Yes		Edit Delete
2	Hall	Hall	100	No		Edit Delete
3	HALL1			Yes		Edit Delete

2.1 Venue Master & Features

Banquet halls/spaces define karo — capacity (float/theatre/round table), features (projector, stage, green room), per-venue charges. Venue Availability aur Booking isi master se chalti hai.

Field	Description
Venue Name	Grand Hall / Conference Room A / Lawn
Capacity	Float / Theatre / U-shape / Round table capacity
Features	Attached features — projector, sound, parking
Venue Charges	Hall rent (half-day/full-day slots)

2.2 Events & Menu Setup

Navigation Path: Main Setup ► Banquet ► Events / Menu Items

S#	Name	ActiveYN	Action
1	Birthday	No	Edit Delete
2	Kitty Party	Yes	Edit Delete
3	Party	No	Edit Delete
4	Ring Ceremony	Yes	Edit Delete

Events Master — banquet event types

Event types (Wedding, Birthday, Conference, Kitty) aur banquet menu packages (Veg/Non-veg per plate rates). Booking me event type + menu package select hota hai.

Setup	Fields
Events	Event name, description
Menu Category	Veg Starter / Main Course / Dessert etc.
Menu Items	Dish name, category, per-plate rate
Banquet Parameter	Tax rules, service charge %, advance %, cancellation policy days
Catalog Master	Printable catalog/packages for clients

3. Operations Module — Enquiry to Billing

3.1 Venue Availability

Navigation Path: Banquet ► Operation ► Venue Availability

3.1 Venue Availability

Date range dalo — kaunsa venue kaunsi date ko free/booked. Client ne date poochhi to pehle yahin check karo. Tentative bookings bhi dikhengi.

Field	Description
From-To Date	Availability period
Venue Grid	Per date per venue — Free / Tentative / Confirmed

3.2 Booking Inquiry & Follow-up

Navigation Path: Banquet ► Operation ► Booking Inquiry / Inquiry follow up

3.2 Booking Inquiry & Follow-up

Har inquiry record karo — client, event type, date, expected guests, budget. Follow-up screen me har call ka note + next follow-up date. Sales team isi se leads convert karti hai.

Field	Description
-------	-------------

Field	Description
Client + Contact	Name, mobile, email
Event + Date	Kaunsa event, kab, kis venue ki interest
Expected Pax	Kitne guests expect
Status	Hot / Warm / Cold / Converted / Lost
Follow-up	Last note + next follow-up date (reminder list)

3.3 Banquet Booking (BEO) — Core Screen

Navigation Path: Banquet ► Operation ► Banquet Booking

The screenshot displays the 'Banquet Booking (BEO) — Core Screen'. The form is titled 'Function Prospected No. 3'. It includes fields for 'Booking Date' (16/Sep/2026), 'Day' (Wednesday), 'Party' (Load Enquiry), 'City Name' (Select City Name), 'Mobile No. 2', 'Company Name' (Select Company Name), 'Function Type' (Select Function Type), 'Expected Pax', 'Rate/Pax', 'Address', 'Mobile No.', 'PAN No.', 'Booking Agent' (Select Booking Agent), 'Guaranteed Pax', and 'Remark'. There are also sections for 'Party Instructions' (Special Instruction 1-5) and 'Instructions for Department' (House Keeping, Front Office, Engineering, Security, Chef). A 'Board To Read' button is present. At the bottom, there is a 'Venue Selection' table with columns: Venue Name, From Date, From Time, To Date, To Time, and Action. The table has a 'Select' dropdown for Venue Name and date/time pickers for the other columns. There are 'Add More', 'Submit', 'Excel', 'PDF', and 'Print' buttons.

3.3 Banquet Booking (BEO) — Core Screen

Confirmed booking ka master document — Banquet Event Order. Venue, date, timing, menu package, per-plate rate, hall charges, advance terms, cancellation policy — sab ek jagah. BEO print kitchen/service teams ko jata hai.

Section	Fields
Client Details	Booking party, bill-to company, contact
Event Details	Event type, venue, date, timing (setup to end)
Menu/Pax	Menu package, guaranteed pax, rate per plate
Charges	Venue charges, F&B, extra services (deco, DJ)
Advance	Advance % / amount, mode, receipt
Terms	Cancellation policy, payment schedule

3.4 Venue Status & Daily Function Sheet

Navigation Path: Banquet ► Operation ► Venue Status / Reports ► Daily Function Sheet

3.4 Venue Status & Daily Function Sheet

Venue Status: aaj/ise hafte ka live position. Daily Function Sheet: aaj ke events ki full detail — venue, timings, menu, pax, contact person. Ye sheet kitchen, service, housekeeping sabko morning me milti hai.

Sheet Column	Use
Venue + Timing	Kahan, kab setup/start/end
Event + Pax	Kya event, kitne guests
Menu	Kya serve hoga
Contact	Kaunsa person site pe handle karega

3.5 Proforma Invoice & Advance List

Navigation Path: Banquet ► Operation ► Proforma Invoice / Advance List

3.5 Proforma Invoice & Advance List

Proforma Invoice: event se pehle client ko estimate/advance request. Advance List: kaunse booking pe kitna advance mila — pending advances follow-up.

1. Booking select karo → Proforma generate
2. Estimated amounts + advance due print karo
3. Advance aaye to entry karo — Advance List me track hoga

3.6 Banquet Billing (Final Bill)

Navigation Path: *Banquet ► Operation ► Banquet Billing*

The screenshot displays the 'Banquet Billing (Final Bill)' interface. At the top, it shows 'Analysis Demonstration Package (103)' and the date '2026-27'. The main form includes fields for 'Bill No. 5', 'Bill Date' (16/Sep/2026), 'Booking No.', 'Party Name', 'Company Name', 'No. of Pax', 'Pax @ Rate', 'Particular' (Cooked Food), and 'Remark'. Action buttons like 'Submit', 'Settlement', 'Bill Print', and 'Delete' are present. A table with columns 'Sn', 'Venue Name', 'From Date', 'From Time', 'To Date', and 'To Time' is located at the bottom of the form area.

3.6 Banquet Billing (Final Bill)

Event ke baad final bill — actual pax, extra items, venue charges, GST, minus advances. Company events pe bill city ledger me jata hai (credit), retail pe cash/UPI settle.

4. Booking no. load karo
5. Actual pax/extra items update karo
6. Advance adjust karo
7. Tax calculate (parameter ke hisaab se)
8. Bill print / city ledger me post karo

4. Reports Module

4.1 Available Reports

Navigation Path: *Banquet ► Reports*

Analysis Demonstration Package (103)
2026-27

Daily Function Sheet

From Date: 16/Sep/2026 To Date: 16/Sep/2026 Details: Function Refresh

Excel CSV Print

Search:

SNo	FPNo	Party Name	Venue	Function Date	For Time	To Time	Pax	Pax Rate	Function Type	Advance	Type	Rect.No.	Rect.Date
No Data Available in Table													
Total:							0			0

Outstanding Report (bill detail ke saath)

Banquet ka GST report — venue rent (18%) aur catering (5% without accommodation rule) ka slab-wise breakup. GSTR filing ke liye accountant use karta hai.

Report	Use
Tax Reports	Bill-wise CGST/SGST detail — filing data

5. Appendix — Training Reference

Banquet Team Workflow

Stage	Activity	Screen
Inquiry aayi	Record karo + venue availability check	Booking Inquiry / Venue Availability
Follow-up	Har call ka note + next date set	Inquiry follow up
Confirm hui	Booking (BEO) banao + advance lo	Banquet Booking
Event se 1 din pehle	Function sheet distribute karo	Daily Function Sheet
Event day	Venue status live dekho	Venue Status
Event ke baad	Final billing + advance adjust	Banquet Billing
Monthly	Outstanding follow-up calls	Outstanding Report

Common Scenarios (Training Q&A)

Scenario	Kya karo
Do clients same venue same date maange	Pehle aayi booking ko priority; doosre ko alternate venue/date — tentative block ho sakta hai
Guest count kam/zyada ho gaya	Billing me actual pax; guaranteed pax se kam hua to parameter rule lagta hai
Advance cash aayi	Booking form me advance entry — receipt print
Client bill company ke naam chahiye	Booking me Bill To = Company; billing pe city ledger post
Event cancel ho gayi	Booking cancel + cancellation policy ke hisaab se advance adjustment note
Extra services bill me add karni (DJ/deco)	Booking/Billing me extra service line item — rate ke saath

Troubleshooting

Issue	Cause	Solution
Venue availability me booked dikha	Tentative/confirmed booking hai	Venue Status me kisne book kiya dekho
Function sheet print nahi ho raha	Booking incomplete	Venue/menu/timing fields verify karo
Billing me menu rates missing	Menu package not mapped	Menu Items me rates set karo / booking me package select
Advance bill me adjust nahi hui	Advance doosri booking pe	Advance List me booking no. verify karo
Tax rate galat	Parameter wrong	Banquet Parameter me tax rules sahi karo

1. Introduction & Module Overview

EXTRAs module integration tools ka collection hai — jo hotel ko external systems se connect karte hain: - Channel Manager: OTA bookings (MakeMyTrip, Booking.com etc.) aur rate/inventory sync - WhatsApp: automatic guest messages (booking confirm, check-in/out, offers) - Smart Card: card based payments (Members module ke saath) - E-Invoice: GST e-invoice generation (IRN) for B2B bills Ye module mostly admin/IT use karta hai — ek baar setup hota hai, phir automatic chalta hai.

Module Sections Overview

Section	Purpose	Key Screens
Channel Manager	OTA sync	Update Rates, Run Derived Pricing, Channel Enviro, Data Push
WhatsApp	Guest messaging	WhatsApp Enviro, Templates
Smart Card	Card system	Card Initialization, Registration, Recharge, Refund
EInvoice	GST e-invoicing	EInvoice Parameter, EInvoice Report

2. Channel Manager

2.1 Update Rates & Derived Pricing

Navigation Path: EXTRAs ►Channel Manager ►Update Rates / Run Derived Pricing

2.1 Update Rates & Derived Pricing

HMS me room rates update karo aur derived pricing rules se OTAs pe rates push karo (e.g. HMS rate +15% = OTA rate). Run Derived Pricing sab channels pe rates sync karta hai.

Screen	Function
Update Rates	Room type wise rates set karo (date range wise)
Run Derived Pricing	Channel-specific markup/discount rules apply karke push
Channel Enviro	OTA credentials — kaunsa channel, API keys, mapping
Data Push	Rates/availability/inventory manually push karo

2.2 OTA Booking Flow

1. Guest OTA pe book karta hai
2. Channel manager booking HMS me pull/drop karta hai
3. Reservation List me booking dikh jati hai (source = OTA)
4. Advance/amount reconciliation monthly statement se
5. Check-in normal Front Office se hi hota hai

3. WhatsApp Integration

3.1 WhatsApp Enviro & Templates

Navigation Path: EXTRAs ►What's App ►WhatsApp Enviro / Templates

The screenshot shows a web interface for setting up WhatsApp templates. The header indicates 'Analysis Demonstration Package (103)' and '2026-27'. The form is divided into two columns. The left column contains fields for 'Whatsapp Center User Name' (filled with 'analysis'), 'Whatsapp Display Name' (filled with 'Analysis'), 'Whatsapp Phone No. Prefix' (filled with '91'), 'Check YN' (filled with 'Yes'), 'Pdf At Checkout YN POS' (filled with 'Yes'), and 'Whatsapp URL' (filled with 'https://meta.muzztech.com/api/v1/send/template/messages'). The right column contains fields for 'Whatsapp Center Password' (filled with '123456'), 'Management Mob No.' (filled with '9161380295'), 'Bearer Code' (filled with a long alphanumeric string), and 'Pdf At Checkout YN FOM' (filled with 'No'). At the bottom left of the form are 'Save' and 'Cancel' buttons. The interface has a purple sidebar on the left and a top navigation bar with icons.

3.1 WhatsApp Enviro & Templates

WhatsApp API provider credentials setup aur message templates. Templates: booking confirmation, check-in instructions, welcome, checkout bill, feedback link, offers. Template me dynamic variables (guest name, room no., dates) hote hain.

Setup	Description
WhatsApp Enviro	API URL, key, sender number, balance status
Templates	Event-based messages — trigger points set karo
Triggers	Booking created / Day before arrival / On check-in / On checkout / Payment received

3.2 How Auto-Messages Work

- Template approve karwao (WhatsApp policy) — system me setup
- Trigger event hotel me hota hai (e.g. guest check-in)
- System guest ke number pe template message bhejta hai
- Delivery report/balance dashboard me dikhta hai
- Balance low ho to recharge (dashboard warning dikhata hai)

4. Smart Card

4.1 Card Lifecycle Screens

Navigation Path: EXTRAs ► Smart Card

Recarge Amount:

Current Security Balance:

Security Amount:

Submit

Card Refund — card lifecycle ka last step

Members module ke saath card based payment system — blank cards initialize karo, member ko issue karo (registration), recharge karo, cancel pe refund. Detail training Members Management manual me hai — yahan admin setup side hai.

Screen	Purpose
Card Initialization	Blank cards system me register
Card Registration	Card ko member se link
Card Recharge	Balance load — payment ke saath
Card Refund	Membership surrender — balance wapas

5. E-Invoice (GST)

5.1 Elnvoice Parameter

Navigation Path: EXTRAs ►Elnvoice ►Elnvoice Parameter

Analysis Demonstration Package (103)
2026-27

E-Invoice Parameters

API ID: f7KWT4e0-IQub-bpI2-G1Y-uUGDebdP

API Secret: f7KWT4e0-IQub-bpI2

E-Invoice Username: speaktosatishmh

Customer ID: C30026

E-Invoice Password:

Active Status: Yes

Save Parameters Cancel

5.1 Invoice Parameter

GST portal/API credentials — company GSTIN, e-invoice API keys, applicable document types (B2B invoices only), auto-generate threshold (Rs 5 crore turnover wale ke liye mandatory).

Field	Description
GSTIN + Place	Seller details
API Credentials	NIC/einvoice API access
Applicability	Kaunse bills pe e-invoice banega
Auto/Manual	Bill save pe auto IRN ya manual trigger

5.2 EInvoice Flow & Report

Navigation Path: EXTRAs ►EInvoice ►EInvoice Report

5.2 EInvoice Flow & Report

B2B bill settle hone pe e-invoice generate hota hai — IRN (Invoice Reference Number) + QR code milta hai jo bill pe print hota hai. EInvoice Report me saare generated e-invoices ka record + cancellation option.

11. B2B guest/company ka bill settle karo
12. E-invoice auto-generate — IRN + QR bill pe aa jata hai
13. Galat hua to EInvoice Report se cancel (24hr window)
14. Monthly — GSTR-1 me ye invoices auto-match

6. Appendix

Admin Setup Checklist (One-time)

Order	Task	Screen
1	OTA channels ke credentials + room mapping	Channel Enviro
2	Derived pricing rules set karo	Run Derived Pricing
3	WhatsApp provider + templates	WhatsApp Enviro / Templates

Order	Task	Screen
	approve	
4	Card system activate (agar club hai)	Card Initialization
5	E-invoice API credentials + thresholds	EInvoice Parameter

Common Scenarios (Training Q&A)

Scenario	Kya karo
OTA pe rate sync nahi hua	Data Push manually chalao; Channel Enviro credentials verify
OTA booking HMS me nahi aayi	Channel manager portal me booking status dekho; Data Push/logs check
WhatsApp balance khatam	Dashboard warning pe recharge karo — provider portal se
Template reject ho gaya	WhatsApp policy follow karke revise — variable format check
E-invoice fail ho gayi	EInvoice Report me error dekho — GSTIN/pan validation fix karke retry
Card reader kaam nahi kar raha	Card Initialization me card status dekho; hardware service ticket

Troubleshooting

Issue	Cause	Solution
Rates push fail	API/network issue	Channel Enviro me connection test; retry Data Push
Duplicate OTA booking	Pull + manual dono se	Manual one cancel karo, source OTA rakho
WhatsApp messages nahi ja rahe	Balance low / template unapproved	Balance recharge + template status check
IRN generate nahi hua	GSTIN invalid/blocked	Party master me GSTIN verify karo
E-invoice cancel nahi ho raha	24hr window cross	Credit note process (accountant se)

1. Introduction & Module Overview

Finance module hotel ka double-entry accounting system hai — saare revenue (FO, POS, Banquet, Laundry) aur expenses yahin consolidate hote hain. Analysis HMS me Finance flow: Masters me accounts banao (Group → Ledger) → Transactions (Voucher Entry) → Verification → Reports (Trial Balance, P&L, Balance Sheet). POS/Front Office ke settlement heads (Cash/UPI/Card/City Ledger) automatically finance me post hote hain — accountant ki manual entry sirf adjustments/journal ke liye rehti hai.

Module Sections Overview

Section	Purpose	Key Screens
MASTER	Chart of accounts setup	Group Accounts, Ledger Accounts, FA Parameter, TDS Category
TRANSACTION	Daily vouchers	Voucher Entry, Bank Reconciliation, Verification Dashboard
REPORT	Financial statements	Trial Balance, P&L, Balance Sheet, Cheque Registers, TDS, Ledger

Key Benefits

- HMS ke saare modules se auto-posting — manual duplicate entry nahi

- Voucher verification workflow — entry vs approval separation
- Bank reconciliation — statement match karna easy
- One-click financial statements — TB, P&L, Balance Sheet
- TDS category wise compliance reports
- Cheque cleared/not-cleared registers — follow-up easy

2. Master Module — Chart of Accounts

2.1 Group Accounts

Navigation Path: Finance ►Master ►Group Accounts

Analysis Demonstration Package (103)
2026-27

Group Name: Enter Group Name
Main Group: Select Main Group
Under Group: Select Under Group
Nature: Select Nature

Search:

Group Name	Nature	Main Group	Under Group	Action
BANK ACCOUNTS	Bank	CURRENT ASSETS	Yes	Edit Delete
BANK OD/AC	Bank	LOAN (LIABILITY)	Yes	Edit Delete
BRANCH/DIVISIONS	Others	BRANCH/DIVISIONS	Yes	Edit Delete
CAPITAL ACCOUNT	Others	CAPITAL ACCOUNT	Yes	Edit Delete
CASH-IN-HAND	Cash	CURRENT ASSETS	Yes	Edit Delete
CLOSING STOCK	Others	CLOSING STOCK	Yes	Edit Delete
CURRENT ASSETS	Others	CURRENT ASSETS	Yes	Edit Delete
CURRENT LIABILITIES	Others	CURRENT LIABILITIES	Yes	Edit Delete
DEPOSIT (ASSET)	Others	CURRENT ASSETS	Yes	Edit Delete
DIRECT EXPENSE	Others	DIRECT EXPENSE	Yes	Edit Delete

Showing 1 to 10 of 34 entries.

2.1 Group Accounts

Chart of accounts ke groups — Assets, Liabilities, Income, Expenses ke sub-groups. Ledger accounts inhi groups me bante hain, isliye pehle group structure sahi banao.

Field	Description	Example
Group Name	Account group	Sundry Debtors
Under Group	Parent group	Current Assets
Nature	Asset / Liability / Income / Expense	Asset
Affects Gross	P&L me gross me aayega ya nahi	Yes/No

2.2 Ledger Accounts

Navigation Path: Finance ►Master ►Ledger Accounts

2.2 Ledger Accounts

Actual accounts jahan transactions post hoti hain — Cash, Bank, MakeMyTrip, GST Payable, Salary, Rent etc. Har ledger kisi group ke under banta hai.

Field	Description	Example
Ledger Name	Account ka naam	HDFC Bank A/c 1234
Under Group	Parent group	Bank Accounts
Opening Balance	Shuruaat ka balance	Dr/Cr with amount
GST/pan fields	Vendor/customer compliance data	GSTIN

2.3 FA Parameter & TDS Category

Navigation Path: Finance ► Master ► FA Parameter / T.D.S. Category

2.3 FA Parameter & TDS Category

FA Parameter: finance module ke global settings (financial year start, voucher numbering, posting rules). TDS Category: TDS ke types (194C contractor 1%/2%, 194J professional 10%) — vendor payments me auto-TDS calc ke liye.

Setup	Fields
FA Parameter	FY start, voucher prefix/series, rounding, auto-post rules
TDS Category	Section, rate %, threshold, TDS ledger mapping

3. Transaction Module

3.1 Voucher Entry

Navigation Path: Finance ► Transaction ► Voucher Entry

3.1 Voucher Entry

Manual accounting entries — Payment, Receipt, Journal, Contra, Sales/Purchase (non-HMS). Debit-Credit balance hona zaroori hai warna save nahi hota.

Voucher Type	Kab use kare	Example
Payment	Paise gaye	Rent payment to landlord
Receipt	Paise aaye	Company ne OTA settlement diya
Journal	Adjustment (no cash)	Depreciation, TDS provision
Contra	Bank-cash ke beech	Cash deposit to bank

3.2 Bank Reconciliation

Navigation Path: Finance ► Transaction ► Bank Reconciliation

Analysis Demonstration Package (103)
2026-27

Up To Date: 16/Sep/2026
Balance As Per Bank:
Status: Unclear

Bank Accounts: Select Bank Accounts
Balance As Per Book:

V. Type	V. Prefix	Vno	Vdate	Ledger A/C	Dr	Cr	Chq No	Chq Date	Clr Date	Narration
---------	-----------	-----	-------	------------	----	----	--------	----------	----------	-----------

3.2 Bank Reconciliation

Bank statement ke transactions system entries se match karo — cleared entries pe tick lagao. Difference = uncleared cheques/charges. Monthly reconcile karna best practice hai.

1. Bank ledger select karo + statement period
2. System entries vs bank statement compare karo
3. Matched entries pe cleared tick lagao
4. Bank charges/interest ki journal entry karo (missing ho to)
5. Save — balance difference zero hona chahiye

3.3 Verification Dashboard

Navigation Path: Finance ► Transaction ► Verification Dashboard

Analysis Demonstration Package (103)
2026-27

Pending Vouchers
View Details

Approved Vouchers
View Details

Rejected Vouchers
View Details

User Wise Entry
View Details

Audit Log
View Details

3.3 Verification Dashboard

Internal control — entered vouchers verify/approve karne ka dashboard. Verified hi vouchers final reports me effectively 'trusted' state me aate hain (parameter ke hisaab se).

Action	Description
Pending List	Verification ka wait kar rahe vouchers
Verify	Checker ne dekh ke approve kiya
Reject + Remark	Galat entry wapas — rectify karo

4. Reports Module

4.1 Financial Statements

Navigation Path: Finance ►Report

Profit & Loss Statement

Report	Kya dikhata hai
Trail Balance	Saare ledgers ka Dr/Cr closing balance — tally check
Trail Group	Group-wise TB summary
Profit Loss	Income vs Expense — gross/net profit
Balance Sheet	Assets vs Liabilities — financial position
Detailed Trial Ledger	Har ledger ki transaction-wise detail (date, voucher, running balance)

4.1b Trail Group & Detailed Ledger

Navigation Path: Finance ►Report ►Trail Group / Detailed Trial Ledger

4.1b Trail Group & Detailed Ledger

Trail Group: group-wise TB summary. Detailed Trial Ledger: har ledger ki date-wise transactions with running balance — party statement jaisa.

Report	Use
Trail Group	Group-level consolidated TB
Detailed Trial Ledger	Ledger-wise full transaction history

4.2 Compliance & Bank Reports

Navigation Path: Finance ► Report

Cheque Not Cleared Register — pending follow-up list

TDS Report: category-wise TDS deducted — quarterly e-TDS filing ke liye. Cheque Registers: cleared aur not-cleared cheques — bank follow-up ke liye.

Report	Use
--------	-----

Report	Use
Cheque Cleared Register	Kaunse cheques bank me clear ho gaye
Cheque Not Cleared Register	Pending cheques — follow-up list
TDS Report	Section/vendor wise TDS — Form 26Q/24Q data

5. Appendix — Training Reference

Accountant Daily/Periodic Workflow

Frequency	Activity	Screen
Daily	Aaj ki auto-posting entries check karo (cash/UPI/card from outlets)	Detailed Trial Ledger
Daily	Manual vouchers entry karo	Voucher Entry
Daily	Naye vouchers verify karo	Verification Dashboard
Weekly	Bank reconciliation	Bank Reconciliation
Monthly	Trial Balance tally + P&L review	Trial Balance / Profit Loss
Monthly	TDS report nikalo — deposit due date	TDS Report
Quarterly	Balance Sheet + MIS to management	Balance Sheet

Accounting Basics (Non-finance Trainees ke liye)

Concept	Simple Matlab
Debit (Dr)	Jahan se value gayi — expense badha ya asset badha
Credit (Cr)	Jahan se value aayi — income badha ya liability badha
Trial Balance	Saare accounts ka summary — Dr total = Cr total hona chahiye
P&L	Period me kitna kamaya vs kharch kiya = profit/loss
Balance Sheet	Aaj kya hai (assets) vs kya dena hai (liabilities) + capital
Reconciliation	Apni books vs bank/party ke records match karna

Troubleshooting

Issue	Cause	Solution
Voucher save nahi ho raha	Dr/Cr mismatch	Dono side amount equal karo
TB me imbalance	Koi voucher adhura/galat	Voucher audit — verification dashboard se rejected dekho
Bank rec me difference	Uncleared entries/charges	Not-cleared cheques + bank charges journal check karo
Auto-posting nahi hui	Parameter off / mapping missing	FA Parameter + outlet settlement heads mapping verify
TDS report me entry missing	Vendor pe TDS category nahi	Vendor ledger pe TDS category set karo

1. Introduction & Module Overview

Front Office hotel ka sabse important module hai — yahi guest ka pehle contact (check-in) se last contact (check-out & billing) tak ka pura journey manage karta hai. Analysis HMS me Front Office Module guest registration, room assignment, folio (bill) management, in-house guest tracking, check-out settlement aur saare related reports handle karta hai. Ye training manual front desk staff ko step-by-step system operate karna sikhati hai. GUEST JOURNEY (Training Flow):

Reservation/Enquiry → Guest Arrival → Registration (GRC) → Room Assign → Check-In → Stay (charges post, room change, folio merge) → Check-Out → Bill Settlement → Bill Print → Guest History

Module Sections Overview

Section	Purpose	Key Screens
MASTER (Setup)	Ek baar setup — rooms, plans, sources	FOM Parameter, Business Source, Guest Status, Charge/Plan Master, Room Category/Master, Booking Source, Building
OPERATIONS	Daily guest lifecycle	Blank GRC, Walk-In Check-In, CheckIn List, Room Status, In-House Status, Add New Profile
TRANSACTIONS	Billing & folio	Bill Reprint, Bill Re-Settlement, Misc Payment, Merge/Reverse Merge Folio
REPORTS	Daily register & audit	CheckIn/CheckOut Register, Cashier, Occupancy, Expected CheckOut, Complimentary, Room Change History
MIS REPORTS	Management analytics	Room Inventory, Sale Summary, Company Contribution, Guest Trail, Revenue Source
TAX REPORTS	GST compliance	FOM Tax Detail

Keyboard Shortcuts (Front Desk ke liye)

Shortcut	Screen	Kab use kare
Shift + W	Walk-In Check In	Guest directly aake room maange

Shortcut	Screen	Kab use kare
Shift + S	Room Status	Available/dirty rooms dekhne
Shift + I	In-House Room Status	In-house guests ka status
Shift + H	Housekeeping Screen	HK team ke saath coordinate

Key Benefits

- Fast walk-in check-in — 2 minute me room assign
- Digital GRC (Guest Registration Card) — paperless
- Live room status — kaunsa room available/dirty/occupied
- Folio-based billing — saare charges ek jagah
- Multiple payment modes with GST auto-calculation
- Merge folio — family/group ek bill me
- Complete guest history — repeat guest recognition
- Night audit integration — automatic day close

Analysis HMS Login Screen — analysishms.com/login

Login Steps (Training Exercise 1)

Step	Action	Details
1	Browser kholo	https://analysishms.com → Login
2	Username	Front desk user ID (demo: sa)
3	Password	Assigned password (demo: balaji)
4	Property ID	103
5	Login click	Dashboard khul jayega
6	Sidebar me 'Front Office' expand karo	Operations / Reports / MIS / Tax sub-menus

Front Office Menu Structure

- Front Office → Operations: Blank GRC, WalkIn Check In (Shift+W), CheckIn List, Room Status (Shift+S), Bill Reprint, Bill Re-Settlement, Misc Payment/Rect., Merge Folio, Reverse Merge Folio, In House Room Status (Shift+I), Add New Profile
- Front Office → Reports: CheckIn Register, CheckOut Register, Cashier Report, Cancel Bill Details, Occupancy Report, Expected CheckOut, Complimentary Report, Room Change History
- Front Office → MIS Report: Room Inventory, Sale Summary, Company Contribution, Guest Trail, Company wise Analysis, Revenue Source Report
- Front Office → Tax Reports: FOM Tax Detail
- Main Setup → Front Office: FOM Parameter, Business Source, Guest Status, Charge Master, Plan Master, Room Features, Room Category, Room Master, Booking Source, Building Master

System Kaise Kaam Karta Hai (Technical Understanding)

Front Office ka pura data cloud database me save hota hai. Training ke liye ye samajhna zaroori hai ki aapki har entry kis table me jaati hai:

Aap kya karte ho	Database Table	Kya store hota hai
Guest check-in karo	roomocc	Room no, check-in date/time, adult/child, rate, plan, expected checkout
Guest details bharo	guestprof	Name, mobile, email, address, nationality, ID details
Folio/bill banta hai	guestfolio	Har charge, tax, payment ki ledger entry
Room setup (admin)	room_mast	Room no, category, floor, building, status
Room types (admin)	room_cat	Category name, rate code, occupancy
Night audit	nightauditlog	Software date advance ka log

3. Master Module — Setup & Configuration

Master setup ek baar hota hai — property ke rooms, rates, sources aur parameters define karte hain. Front desk ko ye sirf samajhne ke liye chahiye, entries mainly admin karta hai.

3.1 FOM Parameter

Navigation Path: Main Setup ► Front Office ► Fom Parameter

3.1 FOM Parameter

Front Office Module ke global settings — check-in/check-out time, tax rules, folio printing rules, GRC format parameters etc. Ye poore module ka behaviour control karte hain.

Parameter Group	Kya control karta hai
Check-In / Check-Out Time	Default arrival/departure time
Tax Parameters	GST slabs, tax inclusive/exclusive
Folio/GRC Params	Print format, numbering
Night Audit Settings	Auto no-show, day close rules

3.2 Business Source

Navigation Path: Main Setup ► Front Office ► Business Source

3.2 Business Source

Business kahan se aa raha hai — Walk-In, Phone, WhatsApp, OTA (MakeMyTrip, Booking.com), Corporate etc. Har check-in pe business source select hota hai, jisse baad me Revenue Source Report banta hai.

Field	Description	Example
Source Name	Business source ka naam	MakeMyTrip
Code	Short code	MMT
Active	Enabled/disabled	Yes

3.3 Guest Status

Navigation Path: Main Setup ► Front Office ► Guest Status

3.3 Guest Status

Guest categories define karo — Regular, VIP, Corporate Guest, Complimentary etc. VIP guest ka special handling aur alerts isi se hote hain.

Field	Description
Status Name	Regular / VIP / Semi-VIP / Complimentary
Description	Is status ka matlab

3.4 Charge Master

Navigation Path: Main Setup ► Front Office ► Charge Master

Analysis Demonstration Package (103)
2026-27

Charge Name: Nature Of Charge:

HSN Code: Account Name:

Tax Structure: Seq No:

Tax Inclusive: Posting Type:

Sale Rate: Type:

Active Or Not: ☒ Active ☐ In Active

Search:

Sl.	Name	Account Name	Tax Structure Name	Seq No	Defined	Action
1	EXTRA BED	ROOM CHARGE	ROOM TAX	2	User	Edit Delete
2	HALF DAY CHARGE	ROOM CHARGE	ROOM TAX	6	User	Edit Delete
3	MEAL CHARGE	RS-FOOD	MEAL PLAN TAX	3	User	Edit Delete
4	ROOM CHARGE	ROOM CHARGE	ROOM TAX	1	User	Edit Delete
5	ROOM DISC.	DISCOUNT A/C	Taxes Food	5	User	Edit Delete

3.4 Charge Master

Room ke alawa jo charges post ho sakte hain unki list — Laundry, Restaurant, Mini Bar, Extra Bed, Late Checkout. Ye charges guest folio me post hote hain.

Field	Description	Example
Charge Name	Charge ka naam	Extra Bed
Rate	Default rate	800.00
Tax Code	Kaunsa GST lage	12%
Post To	Folio posting group	Room Service

3.5 Plan Master

Navigation Path: Main Setup ► Front Office ► Plan Master

Analysis Demonstration Package (103)
2026-27

Plan Name: Plan Amount:

Tarif: Discount Applicable:

Room Category: Room Tax Include In Plan Amount:

Room Tax Structure: Active Y/N:

Adult: Desc 1:

Child: Desc 2:

Map Code:

Net Amount:

Total:

Search:

1	8103	AP (30)	EXCLUSIVE	6000.00	2/0	3900.00	Edit Delete	
2	6103	AP (30)	DELUXE	6000.00	1/0	3900.00	Edit Delete	

3.5 Plan Master

Room plans — EP (sirf room), CP (room + breakfast), MAP (breakfast + dinner), AP (all meals). Plan ka rate structure aur included meals yahin define hote hain.

Plan	Full Form	Includes
EP	European Plan	Sirf room
CP	Continental Plan	Room + Breakfast
MAP	Modified American Plan	Room + Breakfast + Dinner
AP	American Plan	Room + Breakfast + Lunch + Dinner

3.6 Room Features

Navigation Path: Main Setup ►Front Office ►Room Features

3.6 Room Features

Room ki special features — Sea View, Balcony, Jacuzzi, Connecting Door. Room master me inhe attach karte hain.

Field	Description
Feature Name	Sea View / Balcony / Bathtub
Description	Detail me kya hai

3.7 Room Category

Navigation Path: Main Setup ►Front Office ►Room Category

Analysis Demonstration Package (103)
2026-27

1	101	101	DELUXE	Block A	Edit Delete QR Code
2	102	102	DELUXE		Edit Delete QR Code

3.8 Room Master

Har physical room ki entry — room number, category, floor, building, features aur QR code. Room QR generator bhi yahin se banta hai (housekeeper QR login ke liye).

Field	Description	Example
Room No.	Physical room number	101
Category	Room type dropdown	Deluxe
Floor	Kaunsi floor	1ST FLOOR
Building	Building name	Main Block
Features	Attached features	Sea View, Balcony
Status	Room active hai ya nahi	Active

3.9 Booking Source

Navigation Path: Main Setup ► Front Office ► Booking Source

Analysis Demonstration Package (103)
2026-27

Dashboard > Main Setup > Front Office > Booking Source

Booking Source Name:

Active Or Not: ☒ Active ☐ In Active

Submit

SNo.	Name	Defined	Active	Action
1	Booking Engine	System	Yes	Edit Delete
2	Direct	System	Yes	Edit Delete
3	Mumbai RTTC	User	Yes	Edit Delete
4	OTA	System	Yes	Edit Delete
5	Rt	User	Yes	Edit Delete
6	Travel Agency	User	Yes	Edit Delete
7	Travel Agency (OTA)	System	Yes	Edit Delete

3.9 Booking Source

Reservation kahan se book hui — Direct, Agent, Corporate, OTA. Business Source se alag: ye booking channel track karta hai.

Field	Description
Source Name	Direct / Travel Agent / Company
Type	Online / Offline
Commission %	Agent commission (if any)

3.10 Building Master

Navigation Path: Main Setup ► Front Office ► Building Master

Analysis Demonstration Package (103)
2026-27

Dashboard > Main Setup > Property Setup > Building Master

Building Name

Active Or Not
☒ Active
☐ In Active

Submit

Sn.	Name	Active	Action
1	Block A	Yes	Edit Delete
2	Block B	Yes	Edit Delete

3.10 Building Master

Multi-building property me buildings define karo — Main Block, Annex, Service Wing. Rooms in buildings me distribute hote hain.

Field	Description
Building Name	Main Block / Annex
Description	Building detail
Floors	Kitni floors hain

4. Operations Module — Guest Lifecycle

Ye front desk ka daily kaam hai — guest aaye to check-in, stay me manage, room status dekho. Training ka core section: har screen pehletry karo demo data ke saath.

4.1 Blank GRC (Guest Registration Card)

Navigation Path: Front Office ► Operations ► Blank GRC

Analysis Demonstration Package (103)
2026-27

Dashboard > Main Setup > Property Setup > Blank GRC

Guest Serial No.
75

Guest Name

Print Blank GRC

4.1 Blank GRC (Guest Registration Card)

Khali registration card print karne ke liye — jab system down ho ya walk-in guest ka turant paper record chahiye. Baad me ye data system me daalna hota hai.

Kab use kare	Kaise
System slow/down ho	Screen kholo → Print
Training/practice	Blank form print karke bharo
Backup paper record	Guest signature ke liye

4.2 Walk-In Check In (Shift+W) — Sabse Important Screen

Navigation Path: Front Office ► Operations ► WalkIn Check In

4.2 Walk-In Check In (Shift+W) — Sabse Important Screen

Guest directly hotel aaye to isse check-in karo. Ye 3-part form hai: (1) Stay details upar, (2) Room/Rate details middle me, (3) Guest information neeche. Ek hi screen se pura check-in hota hai.

Section	Fields	Kya bharna hai
Stay Details	Check-In date/time, Nights, Checkout, Room, Remarks, Pick Up/Drop	Nights change karne pe checkout auto-update hota hai
Source Details	Company, Booking Source, Business Source, Bill To	Dropdowns se select karo — na ho to '+' se quick add
Room Row	Room Type, Room No, Adult, Child, Plan, Rate, Tax Inc., Leader	Pehle type → phir available room → rate aajayega, tax inclusive toggle check karo
Add Room	Multi-room check-in	Ek guest ko multiple rooms — Add Room button
Guest Information	Prefix, Full Name, Mobile, Email, City, State, Country, Nationality, Zip, Address	Mobile & name required — baaki baad me bhi update ho sakta hai
Other Information	WhatsApp at checkout, No Charge Post, Suppress Rate on GRC	Complimentary room ho to checkbox tick karo

Section	Fields	Kya bharna hai
Buttons	Cancel / Check In	Check In click → room assign, folio ban jata hai

4.3 CheckIn List

Navigation Path: *Front Office ►Operations ►CheckIn List*

4.3 CheckIn List

Aaj ke (ya kisi bhi date ke) saare check-ins ki list — guest name, room, plan, rate, status. Yahan se in-house guest pe koi bhi action le sakte ho: room change, ammend stay, profile update, folio dekhna, checkout.

Column/Action	Description
Guest / Folio No.	Guest name aur folio number
Room / Category	Assigned room
Arrival / Departure	Stay dates
Rate / Plan	Rate aur plan
Action Icons	Room Change, Ammend Stay, Profile Edit, Folio, Checkout, Room Key print

4.4 Room Status (Shift+S)

Navigation Path: *Front Office ►Operations ►Room Status*

4.4 Room Status (Shift+S)

Poore property ka live room map — kaunsa room vacant clean, vacant dirty, occupied, out of order. Front desk check-in ke waqt yahin se available room dhundta hai. Colors ka matlab: Green=available, Red=occupied, Yellow=dirty, Gray=OOO.

Status	Matlab	Front Desk Action
Vacant Clean	Khali + saaf	Check-in de sakte ho
Vacant Dirty	Khali + gandagi	HK se cleaning karwao
Occupied	Guest hai	Check-in nahi de sakte
Expected Checkout	Aaj checkout hoga	Checkout ke baad allocate karo
Out of Order	Repair me	Engineering ko follow up
Blocked	Reserve/Group block	sirf authorized release pe

4.5 In-House Room Status (Shift+I)

Navigation Path: Front Office ► Operations ► In House Room Status

4.6 Add New Profile

Repeat guest ya company/agent ka profile pehle se bana do — check-in ke time sirf select karna hota hai. Guest profile me name, contact, ID, preferences, GSTIN save hote hain.

Profile Type	Kya save hota hai
Guest Profile	Name, mobile, email, address, ID proof, DOB/Anniversary
Company Profile	Company name, GSTIN, address, billing contact
Travel Agent	Agent name, commission %, contact

4.7 Room Change (CheckIn List se)

Guest room change maange: CheckIn List → guest select → Room Change → naya room (vacant clean hona chahiye) → reason → save. Purana room khali ho jata hai, folio naya room pe shift ho jata hai. History 'Room Change History' report me aati hai.

1. CheckIn List kholo
2. Guest row pe Room Change action click karo
3. Available rooms se naya room select karo
4. Reason daalo (optional) aur save karo

4.8 Amend Stay (Date/Rate Change)

Guest stay extend/shorten kare ya rate change ho: CheckIn List → Amend Stay → nayi departure date ya rate → update. Nights auto-recalculate hote hain aur folio me room charges adjust hote hain.

5. CheckIn List → guest select karo
6. Amend Stay click karo
7. Nayi departure date / rate daalo
8. Save — folio me difference post ho jayega

5. Transactions Module — Billing & Folio

Check-out ke time ya stay ke dauran billing related saare kaam. Folio = guest ka bill ledger, jisme room charges, POS charges, payments sab post hote hain.

5.1 Bill Reprint

Navigation Path: *Front Office ► Operations ► Bill Reprint*

Analysis Demonstration Package (103)

[Bill Re Print](#)

5.1 Bill Reprint

Purana printed bill dobara print karo — guest copy kho jaye ya duplicate chahiye. Year + Bill No. daalo → Search → details → Print. Agar bill galat tha to pehle re-settlement karke naya bill banta hai.

9. For Year select karo
10. Bill No. enter karo
11. Search — bill details load hong
12. Bill Print click karo (duplicate copy)

5.2 Bill Re-Settlement

Navigation Path: Front Office ► Operations ► Bill Re-Settlement

Analysis Demonstration Package (103)
2026-27

For Year: 2026, Bill No.: 64, Folio No.: 55, Guest Name: VINOD KUMAR GUPTA, Checkin Date: 14-09-2026 10:13, Checkout Date: 16-09-2026 16:48, Adult/Child: 2 / 0, Address: , Room Category: DELUXE, Guest Company: , Guest Travel Agent:

Payment Mode: CASH, Vr Date: 16/Sep/2026, Time: 09:25, Charge/Payment: Select, Amount: 0.00, Narration: Enter Narration

Payment/Charge Details

Sno.	Payment Type	Amount
1	Cash	15120.00

Total Amount: 15120.00
Paid Amount: 15120.00
Balance: 0.00

[Submit](#)

5.2 Bill Re-Settlement

Settled bill me galti ho jaye (galat payment mode, amount, ya guest wapas aaye) — to purana settlement reverse karke naya settlement kiya jata hai. Room/folio select karo → purana settlement load → modify → re-settle.

Field	Description
Room/Folio No.	Kis room ka bill re-settle karna hai
Old Settlement	Reverse hone wala record
New Settlement	Sahi payment mode + amount
Reason/Narration	Kyun re-settle kiya (audit ke liye zaroori)

5.3 Misc Payment / Rectification

Navigation Path: *Front Office ► Operations ► Misc Payment / Rect.*

Analysis Demonstration Package (103)
2026-27

Name: Select

Vno: Auto Fetched

Date: 16/Sep/2026

Amount: Enter Amount in Rupee

Against A/C: Select

Contra A/C: Select

Remarks: Enter Remarks

Submit

Vtype	Vno	Date	Amount	Against A/C	Contra A/C	Remarks	Status	Action
-------	-----	------	--------	-------------	------------	---------	--------	--------

5.3 Misc Payment / Rectification

Non-guest payments ya corrections — expense sheet entry: cash received/paid outside folio, petty cash, rectification entries. Cashier report me dikhta hai.

Field	Description
Voucher Type	Payment / Receipt / Rectification
Account Head	Kis head me post karna
Amount + Mode	Cash/UPI/Card/Cheque
Narration	Kyun entry ki

5.4 Merge Folio

Navigation Path: *Front Office ► Operations ► Merge Folio*

5.4 Merge Folio

Ek hi guest/family ke multiple rooms ka alag-alag folio ek me jodna — checkout pe ek hi bill. E.g. Room 101 aur 102 dono same guest ke — dono folios merge karke ek bill.

13. Merge Folio screen kholo
14. Master folio select karo (jisme merge karna hai)
15. Merge hone wale folios select karo
16. Confirm — saare charges master folio me aa jayenge

5.5 Reverse Merge Folio

Navigation Path: Front Office ► Operations ► Reverse Merge Folio

5.5 Reverse Merge Folio

Galti se merge ho gaya? Reverse Merge se folios wapas alag karo — charges apne original rooms pe laut jate hain.

17. Reverse Merge Folio kholo
18. Merged folio select karo
19. Kaunse charges reverse karne hain select karo
20. Confirm — folios alag ho jayenge

5.6 Check-Out & Settlement Process (Complete Flow)

Ye sabse important training flow hai — guest jaate waqt:

21. In-House/CheckIn List se guest ka folio kholo
22. Saare charges verify karo — room nights, POS, laundry, minibar
23. Discount agar lagana ho — authorized discount % me hi
24. Advance/deposit adjust karo
25. Payment mode select karo — Cash / UPI / Card / City Ledger (company bill)
26. Settle click karo — GST auto-calculate hota hai
27. Bill print karo — guest copy + hotel copy
28. Room status 'Vacant Dirty' ho jata hai — HK ko inform karo

6. Reports Module — Daily Registers

Daily operations ke registers — shift handover, audit aur record keeping ke liye. Sab reports me date filter + print/export hota hai.

6.1 Available Reports

Navigation Path: *Front Office* ► *Reports*

Check-In Register — Reports module

Report	Kya dikhata hai	Kab use kare
Check In Register	Date-wise saare check-ins — guest, room, rate, source	Daily audit, police records
Check Out Register	Date-wise checkouts — bill amount, payment mode	Cashier reconciliation

Report	Kya dikhata hai	Kab use kare
Cashier Report	Shift-wise cash/UPI/card collection	Shift handover — cash match karna
Cancel Bill Details	Cancelled bills — kaun, kab, kyun	Audit trail
Occupancy Report	Occupancy % — room type/floor wise	Daily management review
Expected CheckOut	Aaj ke expected departures	Morning duty list
Complimentary Report	Free/complimentary rooms — reason ke saath	Management approval audit
Room Change History	Room changes — from/to room, reason, user	Dispute resolution

6.2 Common Report Filters

Filter	Options
Date Range	From–To date
Shift	Morning / Evening / Night (Cashier me)
Room Type	All / specific category
Payment Mode	Cash / UPI / Card / City Ledger
Export	Print / Excel / PDF

7. MIS Reports — Management Analytics

Management-level analytics — revenue, company contribution, guest behaviour. Owner/GM ke liye.

7.1 Available MIS Reports

Navigation Path: *Front Office* ► *MIS Report*

FOM Sale Summary — revenue breakdown

Report	Kya dikhata hai
Room Inventory	Category-wise rooms — total, occupied, vacant, OOO, ADR

Report	Kya dikhata hai
Sale Summary (FOM)	Revenue summary — room rent, extra charges, tax, discounts
Company Contribution Report	Kaunsa company kitna revenue la raha hai
Guest Trail	Repeat guest history — visits, spend, preferences
Company wise Analysis	Company-wise room nights + revenue + ADR
Revenue Source Report	Business source-wise revenue — OTA vs Direct vs Corporate

7.2 Tax Reports

Navigation Path: *Front Office* ► *Tax Reports*

Date	Guest Name	Folio No.	Bill No.	Room No.	Bill Amt	Goods 2.5%	Goods 6%	Goods 9%	CGST 2.5%	SGST 2.5%	CGST 6%	SGST 6%	CGST 9%	SGST 9%	Till Tax Amt	Company	GSTI
16-09-2026	VIKOD KUMAR GUPTA	55	64	205,206	15,120.00	14,285.70	0.00	0.00	357.15	357.15	0.00	0.00	0.00	0.00	714.30		
16-09-2026	VIKOD KUMAR GUPTA	55	63	205,206	5,119.98	4,761.90	0.00	0.00	119.04	119.04	0.00	0.00	0.00	0.00	238.08		
Total					20239.98	19047.60	0.00	0.00	476.19	476.19	0.00	0.00	0.00	0.00	952.38		

7.2 Tax Reports

GST compliance report — FOM Tax Detail: date-wise room revenue ka GST breakdown (CGST/SGST), HSN code wise summary. Accountant isse GSTR filing me use karta hai.

Field	Description
Date Range	Period select karo
Tax Slab	0% / 12% (room rate based)
Output	CGST + SGST breakdown, invoice-wise detail

8. Appendix — Training Reference

Front desk training me quick reference — daily workflow, status codes, troubleshooting aur contact.

Front Desk Daily Workflow (Training Timetable)

Time	Activity	Screen
Shift start	Cashier report se handover le, cash count	Cashier Report
Morning	Expected CheckOut dekho — departure list ready	Expected CheckOut

Time	Activity	Screen
Morning	Room Status check — aaj kitne rooms available	Room Status (Shift+S)
All day	Walk-in guests check-in karo	WalkIn CheckIn (Shift+W)
All day	Charges post karo — restaurant, laundry	Guest Folio
12:00	Checkouts process karo — bill settle + print	CheckIn List → Checkout
Evening	Aaj ke check-ins/checkouts verify karo	CheckIn/CheckOut Register
Night	Cash match karo, shift close	Cashier Report
Night audit	Day close — software date advance	Night Audit module

Reservation Screen (Related Module)

Front Office ka extension — future bookings. Reservation screen me: guest details, room type, dates, advance amount. Expected arrivals isi se Room Status Board aur Expected CheckOut reports me dikhte hain. Quick-add: Company (Alt: reservation/quick-add-company), Travel Agent, City — reservation form se hi bante hain.

Field	Description
Check-In / Checkout Date	Stay dates
Room Type + Nos	Kaunsa room, kitne
Guest Details	Name, mobile
Advance	Deposit amount — folio me adjust hota hai
Status	Confirmed / Tentative / Cancelled

Folio Me Charge Kaise Post Hota Hai (Data Flow)

Source	Charge	Folio Entry
Room night	Room rent + plan meals	Auto — night audit me daily post
Restaurant bill	F&B charge — 'Room' pe bill kiya	POS se direct folio post
Laundry	HK laundry memo	Laundry module se folio post
Manual	Minibar, damage, extra bed	Guest Folio → Post Charge → Charge Master se select
Advance	Guest ne pehle diya	Advance Entry — settlement pe adjust

Troubleshooting (Common Training Issues)

Issue	Cause	Solution
Cannot login	Wrong credentials/property ID	User/Pass/103 verify karo
WalkIn me room list khali	Us type ka koi vacant clean room nahi	Room Status dekho — category change karo ya HK se cleaning karwao
Rate auto nahi aaya	Plan/category rate not set	Plan Master / Room Category me rate set karo
Check-In button disabled	Required fields missing	Guest name + mobile + room row

Issue	Cause	Solution
		complete karo
Bill print nahi ho raha	Printer ya bill not saved	Pehle settle/save, phir print; printer check
Folio me galat charge	Wrong charge posted	Charge reverse karke sahi post karo — narration likho
Guest history nahi dikh raha	Profile duplicate hai	Add New Profile se ek hi profile use karo
Screen load nahi ho raha	Session expire	Re-login karo (sa/balaji/103)

1. Introduction & Module Overview

HR/Payroll module employees ka pura record rakhta hai — joining se salary tak. Hotel staff (front desk, housekeeping, kitchen, security) ki details, leave, overtime, loan/advance aur monthly salary generation yahin se hoti hai. HR FLOW: Employee join karo (Employee Master) → Attendance/Leave/Overtime entries chalti rehti → Month end pe Salary Creation (earnings - deductions = net pay) → Loan/advance adjustments salary me.

Module Sections Overview

Section	Purpose	Key Screens
SETUP (Main Setup)	HR parameters & employee masters	HR Parameter, Designation, Employee Category, Employee Master, Holiday Master
HR/ATTENDANCE ENTRIES	Daily HR records	Leave Entry, Overtime Entry
PAYROLL ENTRIES	Salary processing	Loan & Advance Entry, Salary Creation

Key Benefits

- Central employee database — department/designation wise
- Leave balance tracking with holidays calendar
- Overtime auto-calculation in salary

- Loan/advance EMI recovery from salary
- Monthly salary generation — print/payslip ready

2. Setup Module — Employee Masters

2.1 HR Parameter

Navigation Path: *Main Setup ►HR/Payroll ►HR Parameter*

The screenshot displays the 'HR Parameter' configuration window. At the top, there's a header bar with 'Payroll Setting' and a 'Sample' button. Below this, the 'Loan Account' field is set to 'ANALYSIS SOFTWARE SERVICES'. The 'Salary Account' field is set to 'EMP SALARY A/C'. The 'Advance Account' field is set to 'EMP ADVANCE A/C'. The 'Salary Days' field is set to '30'. A 'Submit' button is located at the bottom center of the form area.

2.1 HR Parameter

Payroll ke global rules — salary heads (Basic, HRA, PF, ESI), pay period, rounding, PF/ESI percentages. Ye salary calculation ka base hai.

Setting	Description
Pay Heads	Earning heads (Basic/HRA/OT) & deduction heads (PF/ESI/Advance)
PF/ESI %	Statutory deduction percentages
Pay Period	Monthly — 1st to last / other cycle

2.2 Designation & Employee Category

Navigation Path: *Main Setup ►HR/Payroll ►Designation / Emp. Category*

6	01-01-2026	Abul	Leave	Leave	Edit Delete
7	21-01-2026	Abul	Casual	Casual	Edit Delete

3.1 Leave Entry

Employee ki leave record karo — date range, leave type (CL/EL/SL/LWP). Salary creation me approved leave ka impact automatic hota hai (LWP = deduction).

Field	Description
Employee	Kaun leave pe hai
From-To Date	Leave period
Leave Type	CL / EL / SL / Unpaid (LWP)
Status	Applied / Approved / Rejected

3.2 Overtime Entry

Navigation Path: **HR/Payroll** ► **Attendance Entries** ► **Overtime Entry**

Analysis Demonstration Package (103)
2026-27

Overtime Entry

Employee: Select Employee Over Time Date: dd/-/yyyy Over Time Hours: --:--

OT Rate/Hour: Total Amount:

Remarks:

Submit

Employee	Date	OT Hours	Rate/Hour	Total Amount	Remarks	Action
Naman	2026-01-13	02:06:00	90.00	189.00	Sag 1r	Edit Delete
Naman	2026-01-29	10:55:00	150.00	1637.50		Edit Delete

3.2 Overtime Entry

Extra ghanton ka record — employee, date, OT hours. Salary me OT rate (parameter based) se earning add hoti hai.

Field	Description
Employee + Date	Kaun, kis din OT kiya
OT Hours	Kitne ghante
OT Rate	Per hour rate (auto/manual)

4. Payroll Module

4.1 Loan & Advance Entry

Navigation Path: *HR/Payroll ► Payroll Entries ► Loan Advance Entry*

4.1 Loan & Advance Entry

Employee ko diya gaya loan ya advance — amount, EMIs, recovery start month. Salary creation me EMI auto-deduct hota hai jab tak pura na ho jaye.

Field	Description
Employee	Kaunsa staff
Loan/Advance Amount	Kitna diya
EMI Amount / Nos	Har month kitna recover hoga
Start Month	Kis salary se recovery shuru

4.2 Salary Creation — Month End Process

Navigation Path: *HR/Payroll ► Payroll Entries ► Salary Creation*

4.2 Salary Creation — Month End Process

Monthly salary generate karo: month select karo → system earnings (basic/HRA + OT) aur deductions (leave LWP, PF/ESI, loan EMI) auto-calculate karta hai → verify → Save/Post. Payslips print ready hote hain. Finance me salary expense posting bhi hoti hai.

1. Salary month select karo
2. Employees load karo (department/category filter)
3. Leave + OT + Loan entries verify karo (auto-filled)
4. Manual adjustments karo (bonus/incentive ho to)
5. Save & Post — payslip print / bank transfer list

5. Appendix

HR Monthly Calendar

When	Task	Screen
Daily	Leave/OT entries update karo	Leave / Overtime Entry
Month end	Loan EMIs verify	Loan & Advance Entry
1st-3rd	Salary creation + payslips	Salary Creation
As needed	Naye employees add karo	Employee Master
Yearly	Holiday calendar declare karo	Holiday Master

Common Scenarios (Training Q&A)

Scenario	Kya karo
Employee ne adhi mahine kaam kiya	Leave type LWP daalo utne din — salary auto-adjust
Advance diya naye employee ko	Loan/Advance entry — EMI set karo
Salary me OT include nahi hua	Overtime entry date check karo — salary month ke andar honi chahiye
Naya earning head chahiye (bonus)	HR Parameter me head add karo, phir salary me manual entry
Employee nikal gaya (exit)	Employee master me inactive + leaving date — payroll

Scenario	Kya karo
	se auto-remove

Troubleshooting

Issue	Cause	Solution
Salary me employee nahi dikh raha	Inactive/wrong category	Employee Master me status verify
PF/ESI deduct nahi hua	Employee pe flag off	Employee entry me PF/ESI applicable check
Loan EMI do baar kat gaya	Duplicate loan entry	Loan entry edit — EMI schedule verify
Payslip print blank	Salary not saved	Save/post ke baad hi print hoga
Leave balance wrong	Purani leaves not entered	Backdate leave entries karo (permission)

1. Introduction & System Overview

Analysis HMS (Hotel Management System) ek comprehensive cloud-based software hai jo Indian hospitality industry ke liye design kiya gaya hai. Ye Front Office, Housekeeping, Laundry, POS, Inventory aur Reporting ko ek unified platform pe manage karta hai — kisi bhi device se, web browser ke through. Housekeeping Module hotel ke room cleaning, staff assignment, room status tracking aur laundry services ka complete management deta hai. Module char main sections me organized hai: MASTER (setup), OPERATIONS (daily workflow), TRANSACTIONS/LAUNDRY (billing & settlement), REPORTS (analytics).

Module Sections Overview

Module Section	Purpose	Key Functions
MASTER	Setup & Configuration	Floor, Housekeeper, Cleaning Type, Supervisor, Checklist, Amenities
OPERATIONS	Daily Workflow Management	HK Screen, Room Status Board, Assignments, Cleaning, Inspection, Lost & Found
TRANSACTIONS (Laundry)	Laundry Billing & Settlement	Laundry Memo, Bill Reprint, Settlement Entry, Split Bill
REPORTS	Analytics & Reporting	HK Report, Cleaning Register, Assignment & Amenities Reports
LINEN (Extras)	Linen Movement Tracking	Laundry Send, Laundry Receive

Key Benefits

- Real-time room status tracking across all floors
- Automated room assignment to housekeeping staff
- Digital cleaning checklists for consistent quality
- Laundry billing and settlement management
- Housekeeper workload monitoring & efficiency tracking
- Photo documentation before/after cleaning
- Lost & Found and Damage management
- Integrated inspection workflow with approval/rejection

2. Login & Navigation

Analysis HMS Login Screen — analysishms.com/login

Software ko access karne ke liye pehle login karna hota hai. Housekeeping staff ke liye dedicated login credentials hote hain.

Login Steps

Step	Action	Details
1	Open Browser	Go to: https://analysishms.com
2	Click Login	Top menu me 'Login' link pe click karo
3	Enter Username	e.g. HOUSEKEEPING (ya admin: sa)
4	Enter Password	Assigned password
5	Enter Property ID	103
6	Click Login	Dashboard open ho jayega

Housekeeping Menu Structure (Sidebar)

- House Keeping → Operations: House Keeping Screen, Room Status Board, Assignments, Start Cleaning, Room Cleaning Entry, Inspection, Lost & Found, Damage Entry
- House Keeping → Reports: HK Report, Cleaning Register, Assignment Report, Amenities Report, Room-wise Amenities, Damage Report, Lost & Found Register
- House Keeping → Linen Management: Laundry Send, Laundry Receive
- House Keeping → LAUNDRY: Laundry Memo, Memo Bill Reprint, Settlement Entry, Split Bill
- Main Setup → House Keeping: Floor Master, Housekeeper Master, Cleaning Type, HK Supervisor, Checklist, Amenities Master

3. Master Module — Setup & Configuration

Master module me wo saari setup entries hoti hain jo operations se pehle ek baar karni hoti hain — floors, staff, cleaning types, supervisors, checklists aur amenities.

3.1 Floor Master

Navigation Path: *Main Setup ►House Keeping ►Floor Master*

Analysis Demonstration Package (103)
2026-27

Name * Supervisor

25 Entries Per Page Search:

Sno.	Name	Supervisor	Action
1	1ST FLOOR		Edit Delete
2	2ND FLOOR		Edit Delete
3	3RD FLOOR		Edit Delete
4	4TH FLOOR		Edit Delete
5	5TH FLOOR		Edit Delete
6	6TH FLOOR		Edit Delete
7	7TH FLOOR		Edit Delete
8	8TH FLOOR		Edit Delete
9	9TH FLOOR		Edit Delete
10	BASEMENT		Edit Delete
11	APARTMENT		Edit Delete
12	VILLA		Edit Delete
13	GROUND FLOOR		Edit Delete

3.1 Floor Master

Property ke floors define karo. Har floor ke hisaab se rooms aur housekeepers assign hote hain.

Element	Description	Action
Floor Name	Floor ka naam (1ST FLOOR, GROUND FLOOR...)	Enter karo
Submit	Record save karta hai	Click karo
Search Box	Existing floors filter karta hai	Type karo
Edit / Delete	Record modify/remove	Row pe click karo

3.2 Housekeeper Master

Navigation Path: Main Setup ► House Keeping ► Housekeeper Master

Analysis Demonstration Package (103)
2026-27

Name Active Or Not

Sr.	Name	ActiveYN	Action
1	Akash	Yes	Edit Delete
2	Aman	Yes	Edit Delete
3	DEMO HK 097812	No	Edit Delete
4	Nitin	Yes	Edit Delete
5	QA Housekeeper 411136	Yes	Edit Delete

3.2 Housekeeper Master

Housekeeping staff register karo — unka floor, supervisor, contact details ke saath.

Field	Description	Example
Housekeeper Name *	Staff ka full name (required)	Rajesh Kumar
Floor *	Assigned floor dropdown	1ST FLOOR
Supervisor *	Assigned supervisor dropdown	Sandeep Pal
Mobile Number	Contact number	9876543210
Gender	Male / Female	Male
Status	Active / Inactive	Active

3.3 Cleaning Type Master

Navigation Path: Main Setup ► House Keeping ► Cleaning Type

Analysis Demonstration Package (103)
2026-27

Name *
e.g. DEEP CLEANING

Estimated Time (HH:MM)
00:20

Department

10	MINI BAR CHECKED	-	Edit Delete
11	LINEN CHANGED	-	Edit Delete
12	DOOR LOCKED CHECKED	-	Edit Delete
13	TOILET SANITIZED	-	Edit Delete

3.5 Checklist Master

Cleaning checklist items define karo jo har room cleaning me digitally tick hote hain.

Sno.	Checklist Item	Category
------	----------------	----------

Sno.	Checklist Item	Category
1	BED MAKE	Bedroom
2	LINEN CLEAN	Bedroom
3	VACUUM AREA	General
4	TV & REMOTE	Electronics
5	TOILET CHECK	Bathroom
6	ROOM FRAGRANCE	Ambiance
7	BATHROOM CLEAN	Bathroom
8	FLOOR MOPPING	General

3.6 Amenities Master

Navigation Path: Main Setup ► House Keeping ► Amenities Master

The screenshot shows the 'Amenities Master' screen in the Analysis HMS application. The interface has a sidebar on the left with various navigation options like Dashboard, Finance, Main Setup, Reservations, Front Office, House Keeping, Inventory, Point Of Sale, Banquet, Night Audit, Members Mgmt, HR/Payroll, Maintenance, Mail Management, EXTRAs, and My Tickets & Status. The main content area has a top header with 'Analysis Demonstration Package (103)' and '2026-27'. Below this, there are three tabs: 'Linen' (blue), 'Amenities' (green), and 'Chemical' (red). Each tab displays a table with columns: 'Sno', 'Item', 'Department', and 'Action'. The 'Linen' tab shows items like 'Pillow Cover', 'Bath Towel', and 'Hand Towel'. The 'Amenities' tab shows items like 'SOAP', 'Tea Kit', 'Coffee', and 'Shampoo'. The 'Chemical' tab shows items like 'Glass Cleaner', 'Floor Cleaner', and 'Toilet Cleaner'. Each item has an 'Action' column with 'Edit' and 'Delete' buttons.

3.6 Amenities Master

Room me diye jane wale linen, amenities aur chemicals ki master list.

Category	Examples	Tab Color
Linen	Pillow Cover, Bath Towel, Hand Towel	Blue
Amenities	Soap, Tea Kit, Coffee, Shampoo	Green
Chemical	Glass/Floor/Toilet Cleaner	Gray

4. Operations Module — Daily Workflow

Operations module housekeeping ki daily kaafi ka core hai — room status dekhna, kaam assign karna, cleaning track karna, inspection aur lost & found.

4.1 Housekeeping Screen (Main Dashboard) — Shift+H

Navigation Path: House Keeping ► Operations ► House Keeping Screen

4.2 Room Status Board

Real-time status dashboard with summary cards — Total Rooms, Occupied Clean/Dirty, Vacant Clean/Dirty, Out of Order, Maintenance, Inspection Pending, Occupancy %. Filters: Floor, Status, Room Type, Priority.

Status	Meaning
Occupied / Occupied Dirty	Guest hai / guest hai + cleaning chahiye
Vacant Clean / Vacant Dirty	Khali + clean (check-in ready) / khali + dirty
Out of Order	Room available nahi
VIP Room	VIP guest — special attention
DND	Do Not Disturb — cleaning skip karo
Inspection Pending	Clean hua, supervisor check pending

4.3 Assignments (Room Assignment)

Navigation Path: House Keeping ► Operations ► Assignments

4.3 Assignments (Room Assignment)

Rooms ko housekeepers ko assign karne ka interface. Left panel me unassigned rooms, right me har housekeeper ka bucket.

Button/Field	Function
Assignment Date	Date select karo
Supervisor	Supervisor select karo
Auto Assignment	Rooms automatically distribute karo
Balance Assignment	Workload equally distribute karo
Floor Wise / Zone Wise	Floor/zone ke hisaab se assign karo
→ / ← Arrows	Room move karo housekeeper me/out
Print Assignment	Assignment sheet print karo
Save Assignment	Assignment save karo

4.4 Start Cleaning

Navigation Path: *House Keeping ►Operations ►Start Cleaning*

4.4 Start Cleaning

Housekeeper jab cleaning start karta hai: assigned room select karo → assignment info verify karo → Before photo upload (Camera/Gallery) → START CLEANING click. Timer T1 start hota hai, status 'Cleaning In Progress' ho jata hai. Damage Report aur Lost & Found buttons yahin se bhi accessible hain.

1. Select Assigned Room dropdown me apna room choose karo
2. Assignment No. aur Room Details verify karo
3. Photo (Before) capture karo — Camera ya Gallery se
4. START CLEANING button click karo (start time record hota hai)

4.5 Room Cleaning Entry

Navigation Path: *House Keeping ►Operations ►Room Cleaning Entry*

4.5 Room Cleaning Entry

Cleaning complete hone ke baad: room select karo → checklist items tick karo → actual end time daalo → Photo After upload karo → room status 'Vacant Clean' / 'Occupied Clean' update karo → Submit.

5. Cleaned room select karo
6. Checklist items complete mark karo
7. End time enter karo
8. 'Photo After' upload karo
9. Room status update karke Submit karo

4.6 Inspection

Navigation Path: House Keeping ► Operations ► Inspection

4.6 Inspection

Supervisor cleaned rooms ko inspect karta hai: checklist review → before/after photos verify → remarks add → Approve (room Clean mark) ya Reject (re-cleaning me bhejo).

Step	Action	Result
1	Room select karo inspection list se	Details load
2	Checklist review karo	Items verified
3	Photos check karo	Quality verify
4	Remarks add karo	Quality notes
5	Approve / Reject	Clean mark / Re-clean

4.8 Damage Entry

Room me koi damage milne par report karo — item description ke saath. Ye Damage Report me aggregate hota hai.

Field	Description
Room No.	Kis room me damage hua
Item	Kya damage hua
Description	Damage ki detail
Reported By	Housekeeper/Supervisor
Date	Kab report hua

5. Transactions Module — Laundry

Laundry module guest laundry services ka billing aur settlement handle karta hai. Laundry outlet (LAUN103) ke through operate hota hai.

5.1 Laundry Memo

Navigation Path: House Keeping ►LAUNDRY ►Laundry Memo

5.1 Laundry Memo

Guest laundry ka bill/memo banana: Room No./Guest/Barcode search karo → item group (Iron/Washing/Favourite) se items add karo → qty/rate set → charges summary (Discount, CGST, SGST, Round Off, Net) → Bill Print ya Settlement.

Section	Function
Search Fields	Room No., Guest Name, Bar Code
Item Selection	Iron/Washing/Favourite groups se items
Charges Summary	Discount, CGST, SGST, Round Off, Net
Bill Print	Memo bill print karo
Settlement	Memo ko paid mark karo
Delete	Memo delete karo

5.2 Memo Bill Reprint

Navigation Path: House Keeping ►LAUNDRY ►Memo Bill Reprint

5.2 Memo Bill Reprint

Purane laundry bills dobara print karne ke liye: For Year select karo → Bill No. enter karo → Search → details load → Bill Print.

10. House Keeping → LAUNDRY → Memo Bill Reprint kholo
11. For Year select karo
12. Bill No. enter karo
13. Search click karo — item-wise details load hong
14. Bill Print click karo

5.3 Settlement Entry

Navigation Path: House Keeping ►LAUNDRY ►Settlement Entry

5.3 Settlement Entry

Pending laundry bills ka payment record karo: For Year + Bill No. daalo → payment mode select karo (Cash/Cheque/UPI/Card) → Amount + Narration → Submit. Pending Bill Details me Total/Paid/Balance dikhta hai.

Field	Description
For Year	Financial year select
Bill No.	Settle karne wala bill
Charge/Payment	Cash in Hand / Cheque / UPI / Card
Amount	Payment amount
Narration	Optional remark

5.4 Split Bill

```

Split Bill — demo property pe permission restricted (live screen)

Ek laundry bill ko multiple accounts me split karna: original bill select karo → split amounts define karo → individual bills generate karo → har split ka settlement karo. Splits original memo se linked rehte hain. Note: Demo property (103) pe ye screen restricted hai — live property pe ye fully functional hota hai.

- Original bill select karo
- Split amounts define karo per account
- Individual bills generate hote hain
- Har split ki alag settlement hoti hai

6. Linen Management

Linen module me hotel linen ka external laundry movement track hota hai — bhejna aur wapas receive karna, with counts.

7. Reports Module

Reports section housekeeping ke complete analytics deta hai. Sab reports me common filters hain: Date Range, Floor, Room Type, Housekeeper, Status. Export: Print / Excel / PDF.

7.1 Available Reports

Navigation Path: *House Keeping* ► *Reports*

House Keeping Report — Reports module ka main screen

Report	Description	Usage
House Keeping Report	Room cleaning activities ka complete summary	Daily monitoring
Cleaning Register	Saare cleaning entries — date, room, staff	History & audit
Assignment Report	Daily room assignments staff-wise	Workload management
Amenities Report	Amenities issued/consumed summary	Amenities tracking
Room-wise Amenities	Room level amenities issued/consumed/pending	Verification
Damage Report	Room damages ki register	Maintenance follow-up
Lost & Found Register	Found items ki full history	Audit & claim tracking

7.2 Common Report Filters

Filter	Options
Date Range	From–To (daily/weekly/monthly/custom)
Floor	All / specific floor
Room Type	All / Deluxe / Suite
Housekeeper	All / specific staff
Status	All / Clean / Dirty / Occupied / OOO / Maintenance
Export	Print / Excel / PDF

8. Appendix — Reference & Best Practices

Quick reference tables jo daily operations me kaam aati hain.

Room Status Codes

Code	Status	Meaning	Next Action
VC	Vacant Clean	Empty + cleaned, ready	FO: guest allocate karo
VD	Vacant Dirty	Empty + cleaning chahiye	HK: immediate cleaning
OC	Occupied Clean	Guest + clean	Monitor / next service
OD	Occupied Dirty	Guest + cleaning chahiye	HK: schedule (guest coordinate)
OOO	Out of Order	Available nahi	Engineering fix
M	Maintenance	Temporary maintenance	Engineering + notify HK
IP	Inspection Pending	Cleaned, QA pending	Supervisor inspect
DND	Do Not Disturb	Guest ne DND on kiya	Skip, baad me try
EC	Early Check-in	Guest jaldi aayega	Priority cleaning

Daily Housekeeping Workflow

Time	Activity	Screen	Responsible
7:00 AM	Briefing + room status check	HK Screen / Room Status Board	HK Manager
7:30 AM	Assignments banao	Operations > Assignments	HK Supervisor
8:00 AM	Cleaning start	Operations > Start Cleaning	Housekeeper
8AM–2PM	Room cleaning + entries	Room Cleaning Entry	Housekeeper
Continuous	Inspection	Operations > Inspection	HK Supervisor
Throughout	Laundry requests	Laundry > Laundry Memo	Laundry Staff
Throughout	Lost items log karo	Lost & Found	Housekeeper
6:00 PM	Evening status review	Room Status Board	HK Manager
End of day	Daily reports	Reports section	HK Manager

Troubleshooting

Issue	Cause	Solution
Cannot login	Wrong credentials/property	User/Pass/Property verify karo (103)

Issue	Cause	Solution
Room assignment me nahi dikh raha	Already assigned ya filtered	View Assignment check / filters clear
Housekeeper dropdown me nahi	Inactive ya not added	Housekeeper Master me Active karo
Cannot start cleaning	Room aapko assigned nahi	Assignments me apna naam check
Memo print nahi ho raha	Printer/bill not saved	Pehle save karo, phir Bill Print
Status update nahi ho raha	Cache issue	F5 / cache clear
Inspection option nahi	Cleaning entry submit nahi hui	Pehle Room Cleaning Entry submit karo
Split Bill error	Demo permission restricted	Live property pe try karo

1. Introduction & Module Overview

Inventory module hotel ka store aur purchase system hai — vegetables se lekar amenities tak, sab items ka stock track hota hai. Analysis HMS me Inventory flow: Quotation/Indent → Purchase Order → Material Receive (MR) → Purchase Bill (stock in) → Requisition → Stock Issue (stock out) → Reports (register, summary, movement). Kitchen/Outlet consumption POS sale se recipe-based automatic deduct hota hai (Recipe Master ke through). PURCHASE CYCLE (Training Flow): Need identify → Indent → Quotations compare → PO issue → Material Receive → Purchase Bill entry → Payment (Finance) — aur consumption side: Department requisition → Stock issue → Stock reports

Module Sections Overview

Section	Purpose	Key Screens
MASTER (Main Setup)	Items, parties, opening stock	Party Master, Item Group/Category/Entry, Opening Stock, Recipe Master

Section	Purpose	Key Screens
OPERATION	Purchase + issue cycle	Quotation, Indent, PO, MR Entry, Purchase Bill, Stock Transfer, Requisition, Stock Issue
REPORTS	Stock position	Stock Register/Summary/In Hand, Purchase Register/Summary
MIS	Consumption analysis	Stock Movement, Kitchen-wise Issue & Sale
GATE PASS	Inward/outward control	Gate Pass Exit, Security Check, Inward Details

Inventory Data Flow (Technical Understanding)

Aap kya karte ho	Database	Kya hota hai
Item banao	itemmast/itemgrp/itemcatmast	Item code, group, category, unit
MR entry (goods aaye)	stock tables	Stock IN — qty + rate + batch
Stock issue karo	stock tables	Stock OUT — department wise consumption
Purchase bill	purchase tables	Vendor bill — stock in + finance liability
Rate update	itemrate	Latest purchase rate — costing base

2. Master Module — Items & Parties

2.1 Party Master (Vendors/Suppliers)

Navigation Path: Main Setup ► Inventory ► Party Master

2.1 Party Master (Vendors/Suppliers)

Suppliers/vendors ki master — naam, address, GSTIN, payment terms, TDS category. Purchase Order aur Purchase Bill me yahin se party select hoti hai.

Field	Description	Example
-------	-------------	---------

Field	Description	Example
Party Name	Vendor ka naam	Sharma Vegetable Traders
GSTIN / Address	Compliance data	GST number, city
Payment Terms	Credit period	7 days / Cash on delivery
TDS Category	Vendor type ke hisaab se TDS	194C - Contractor

2.2 Item Group / Category / Item Entry

Navigation Path: *Main Setup ► Inventory ► Item Group / Item Category / Item Entry*

2.2 Item Group / Category / Item Entry

Items ki hierarchy: Group (Vegetables/Dairy/Cleaning) → Category (fine detail) → Item entry (code, unit, rate, min stock level, store). Recipe Master me dish ke raw items define hote hain — sale pe auto-deduction ke liye.

Setup	Fields
Item Group	Group name, type (Food/General/Liquor)
Item Category	Group ke under categories
Item Entry	Item name, code, group/category, unit (Kg/Ltr/Pcs), min level, store
Opening Stock	Item wise starting qty + rate (system start ke waqt)
Recipe Master	Dish → raw items + qty (1 plate Paneer = 200g paneer + 50g butter...)

3. Operations Module — Purchase & Issue Cycle

3.1 Quotation & Indent

Navigation Path: *Inventory ► Operation ► Quotation / Indent*

Showing 1 to 6 of 6 entries

3.1 Quotation & Indent

Quotation: vendors se aaye rates record karo (comparison ke liye). Indent: department ki requirement — kaunsa item kitna chahiye. Indent approve hone pe PO banta hai.

Screen	Use
Quotation	Vendor, item, rate, validity — compare karne ke liye
Indent	Department, item, required qty, required date — approval workflow

3.2 Purchase Order (PO)

Navigation Path: Inventory ► Operation ► Purchase Order

Analysis Demonstration Package (103)
2026-27

PO.No: 12, Type: Purchase Order, Date: 16/Sep/2026

Party: Select, Indent: Select, Disp.Mode: Select

Fright Charges: Freight Charge, Packing Charge: Pack.Charge, Discount: Discount

GST: GST, Surcharge: Surcharge, Dispatch Through: Dispatch Through

5	PO	20-01-2026	LALU MALU PANSARI	5	2	Edit Delete Print
1	PO	20-01-2026	PANDEY GUPTA	6	2	Edit Delete Print

3.2 Purchase Order (PO)

Approved indent/quotations se PO issue karo — vendor ko bhejne ke liye print. PO pe hi material receive hota hai (MR me PO reference lagta hai).

1. PO screen kholo → vendor select karo
2. Indent se items load karo ya manually add karo
3. Rates verify karo (quotation ke hisaab se)
4. Save + Print — vendor ko bhejo

3.3 M R Entry (Material Receive)

Navigation Path: Inventory ► Operation ► M R Entry

3.3 M R Entry (Material Receive)

Goods aane pe receive entry — PO ke against qty receive karo, quality check karo, short/damage note karo. Ye stock IN ka document hai.

Field	Description
PO No./Vendor	Kis order pe material aaya
Item/Qty/Rate	Kitna aaya, kis rate pe
Challan No.	Vendor challan reference
Short/Excess/Damage	Quality check remarks

3.4 Purchase Bill

Navigation Path: Inventory ► Operation ► Purchase Bill

Purchase Bill entry screen

Vendor ka actual bill entry — MR ke against bill amount, tax (GST input credit), sundry charges. Ye entry stock value + vendor liability (finance me payable) dono bana deti hai. Duplicate bill check bhi hota hai (same bill no. block).

Field	Description
Vendor + Bill No./Date	Bill ki identity — duplicate check hota hai
MR Reference	Kis receive ke against bill
Item Amounts + GST	Taxable value, CGST/SGST input credit
Sundry (Freight etc.)	Extra charges landed cost me add
Total Payable	Vendor ko kitna dena hai

3.5 Requisition Slip → Approval → Stock Issue

Navigation Path: Inventory ► Operation ► Requisition Slip / Approved Requisition / Stock Issue

3.5 Requisition Slip → Approval → Stock Issue

Departments (Kitchen, HK, F&B) store se material maangte hain: Requisition Slip banao → store manager approve kare (Approved Requisition screen) → Stock Issue pe material issue ho jaye. Stock department wise consume ho jata hai.

5. Requisition Slip — department, items, qty maango
6. Approved Requisition — store manager approve/reject kare
7. Stock Issue on Requisition — approved slip pe issue karo (stock out)

3.6 Stock Transfer

Navigation Path: Inventory ► Operation ► Stock Transfer

Showing 1 to 6 of 6 entries

3.6 Stock Transfer

Ek store/dpartment se doosre me stock bhejna — Main Store → Kitchen, ya Kitchen → Bar. Qty dono jagah adjust hoti hai (from minus, to plus).

8. From store/location select karo
9. To store/location select karo
10. Items + qty daalo → Save/Print

3.7 Kitchen Closing Stock Entry

Navigation Path: Inventory ► Operation ► Kitchen Closing Stock

3.7 Kitchen Closing Stock Entry

Kitchen me raat ke closing stock ki physical count entry — ye daily consumption calculate karne ke liye zaroori hai (Issue - Closing = Actual Consumption). Wastage/variance isi se track hota hai.

Field	Description
Date	Closing kis date ka
Item + Qty	Kitchen me physically kitna bacha
Department	Kaunsa kitchen/outlet

3.8 Gate Pass Exit (Security Control)

Navigation Path: Inventory ► Gate Pass ► Gate Pass Exit

3.8 Gate Pass Exit (Security Control)

Hotel se bahar jaane wala maal (repair, return, transfer) ka gate pass — security gate pe yahi pass check hota hai. Bina pass ke koi maal bahar nahi jata.

Field	Description
Item + Qty	Kya ja raha hai
Reason	Repair / Return / Transfer
Return Date	Kab wapas aayega (repair me)
Authorized By	Kaunne approve kiya

Gate Pass related screens

Gate Pass Exit: hotel se bahar jaane wala maal (repair, return) — security check ke liye pass print. Inward Details / Receiving Department: bahar se aane wala maal ka record. Security gate pe ye passes check hote hain.

Screen	Use
Gate Pass Exit	Bahar jaane wale items ka pass — reason + return date
Security Check	Gate pe pass verify karne wala screen
Inward Details	Return/coming items ka inward record

5. Appendix — Training Reference

Store Keeper Daily Workflow

Time	Activity	Screen
Morning	Aaj ki indents/pending approvals dekho	Approved Requisition
Vendor arrival	Material receive karo (quality check)	M R Entry
Vendor bill aaye	Bill entry karo — GST input ke saath	Purchase Bill
Departments maange	Requisition approve karke issue karo	Requisition / Stock Issue
Evening	Stock in hand dekho — min level below items	Stock In Hand
Weekly	Kitchen variance report — wastage review	Kitchen Wise Issue & Sale

Common Scenarios (Training Q&A)

Scenario	Kya karo
Material PO ke bina aa gaya	Direct MR entry (permission ho) — ya pehle PO banao, best practice PO pehle
Bill aaya, material kam mila	MR me actual qty, bill me billed qty — difference claim follow-up
Department ne bina requisition maanga	Pehle requisition banao + approve — issue usi pe
Item rate galat post ho gaya	Bill cancel/re-edit (permission), Purchase Register me verify
Stock negative dikha	Issue pehle ho gaya, receive baad me — MR date check/backdate (authorized)
Kitchen me expiry wala stock	Physical count + wastage entry — Kitchen Closing Stock Entry

Troubleshooting

Issue	Cause	Solution
Purchase Bill save nahi ho raha	Duplicate bill no.	Bill no./vendor check — ye duplicate block hai
MR me PO nahi dikh raha	PO already fully received	PO pending qty check karo / naya PO
Issue nahi ho raha	Stock insufficient	Stock In Hand dekho — pehle receive karo
Stock report me item nahi dikh raha	Item inactive/wrong store	Item Entry me store + active status check
Opening stock galat	Initial entry wrong	Opening Stock screen se correct

Issue	Cause	Solution
		(year start pe hi)

1. Introduction & Module Overview

Maintenance module hotel ki assets (AC, geyser, lights, lift, generator) aur unke repairs ka system hai. Guest rooms, public areas aur kitchen ke maintenance requests track hote hain. MAINTENANCE FLOW: Assets register (Location + Asset Master) → Complaint/request aayi (room me ya HK/FO se) → Technician assign → Repair complete → Asset history. Preventive maintenance schedule bhi track hota hai.

Module Sections Overview

Section	Purpose	Key Screens
MASTERS	Assets & locations register	Location Master, Assets Master
WORKFLOW	Repair process	Maintenance Master (HK linked), Service Master

Key Benefits

- Asset-wise complete repair history
- Room maintenance ka HK/FO integration — OOO/blocked rooms track
- Service requests QR portal se bhi aati hain (guest portal)
- Preventive maintenance reminders

2. Masters Module

2.1 Location Master

Navigation Path: *Maintenance ► Location Master*

Analysis Demonstration Package (103)

2.2 Assets Master

Har asset ka record — AC unit, geyser, TV, kettle, lift, pump. Asset code, location, brand/model, purchase date, warranty, AMC details. Repair history isi pe attach hoti hai. Excel export bhi hai.

Field	Description
Asset Code/Name	Unique ID + naam (AC-201, Geyser-305)
Location	Kahan installed hai
Brand/Model/Serial	Make details
Purchase/Warranty	Kab kharida, warranty kab tak
AMC	Annual maintenance contract details

3. Workflow Module

3.1 Maintenance Master (HK Integration)

Navigation Path: *Maintenance* ► *Maintenance Master (via HK)*

3.1 Maintenance Master (HK Integration)

Room-wise maintenance complaints ka register — Housekeeping ya FO complaint raise karte hain (room pe AC kharab hai etc.), technician status update karta hai (Pending → In Progress → Done). Room block/OOO bhi yahin manage hota hai.

Field	Description
Room/Location	Kahan problem hai
Complaint	Kya issue hai
Reported By	HK/FO/Guest request
Assigned To	Kaunsa technician
Status	Pending / In-Progress / Resolved
Room Status Impact	Resolve hone tak room OOO/Block

4	1034	EMPTY TRASH	HOUSE KEEPING	[Edit] [Delete]

Showing 1 to 4 of 4 entries

3.2 Service Master

Service types define karo — Electrical, Plumbing, AC, Carpentry, IT. Complaint category isi se aati hai, department wise assignment ke liye.

Field	Description
Service Name	AC Service / Plumbing / Electrical
Department	Engineering team mapping
Active	In use ya nahi

3.3 Complaint-to-Resolution Flow (Training Flow)

1. Complaint aayi — HK/FO/Guest portal se (ya khud banao)
2. Maintenance Master me complaint register karo — location + service type
3. Technician assign karo — status In-Progress
4. Material laga ho to requisition (Inventory module se)
5. Repair complete — status Resolved + remarks
6. Room tha to HK ko inform karo — room status update (cleaning ke liye)

4. Appendix

Engineering Team Daily Workflow

Time	Activity	Screen
Morning	Pending complaints ki list dekho	Maintenance Master
All day	Complaints assign aur resolve karo	Maintenance Master
All day	Room OOO/block manage karo FO ke saath	Maintenance Master + FO Room Status
Weekly	Preventive maintenance (AC filter, pumps)	Assets Master
Monthly	AMC vendor visits track karo	Assets Master (AMC field)

Common Scenarios (Training Q&A)

Scenario	Kya karo
Guest room me AC kharab	Complaint banao, room ko OOO/block mark karo agar repair lamba hai, FO ko batao alternate room dene ko
Asset repair bahar bheja	Gate Pass Exit (Inventory) + asset pe remark
Same complaint baar baar	Asset history dekho — replacement suggest karo
Guest portal se request aayi	Service Desk / Service Request Register me accept karo

Troubleshooting

Issue	Cause	Solution
Complaint save nahi ho raha	Location/Service not selected	Dono mandatory fields bharo
Asset list me nahi dikh raha	Wrong location filter	Location filter 'All' karke dekho
Room OOO status FO me nahi gaya	Room block nahi kiya	Maintenance se room block karo ya FO se manually
Excel export khali	No data in filters	Date range/location filters check karo

1. Introduction & Module Overview

Mall Management module hotel ke attached mall/commercial complex ke shops aur tenants manage karta hai — lease agreements, monthly utility billing (electricity/water meter reading), service charges. MALL FLOW: Shops register (Shop Master) → Lease agreement (tenant, rent, deposit, terms) → Daily meter reading (electricity/water) → Monthly bill generation (rent + utilities + service charges) → Collection tracking.

Module Sections Overview

Section	Purpose	Key Screens
MASTER (Main Setup)	Shops & leases	Shop Master, Charge Master, Unit Type, Lease Agreement, Facility Sundry, Tenant Location
OPERATION	Monthly billing cycle	Service Bill Entry, Daily Meter Reading

Key Benefits

- Shop-wise tenant ledger — rent, deposit, dues
- Meter reading based utility billing — no disputes
- Lease renewal reminders via agreement expiry
- Facility charges (CAM) automatic billing

2. Master Module — Shops & Leases

2.1 Shop Master

Navigation Path: Main Setup ► Mall Management ► Shop Master

Showing 1 to 4 of 4 entries

2.1 Shop Master

Mall ki saari shops/shops units register karo — shop no., floor, area (sqft), type. Lease agreement isi shop pe attach hota hai. Charge Master me facility charges (CAM) define hote hain, Unit Type me shop units, Tenant Location me tenant mapping.

Field	Description
Shop No./Name	Unit identifier
Floor/Zone	Kahan hai
Area (sqft)	Charge calculation base
Meter Nos.	Electricity/water meter mapping
Charge Master	CAM/service charge heads
Unit Type	Shop/food court/kiosk types
Tenant Location	Tenant ka shop mapping

2.2 Lease Agreement Entry

Navigation Path: Main Setup ► Mall Management ► Lease Agreement

Analysis Demonstration Package (103)

4. Rent Overview

Rent Type

Rent Basis

Rate (Per Sq Ft.)

Min. Monthly Rent

Current Monthly Rent

2.2 Lease Agreement Entry

Tenant ka lease record — agreement no., tenant details, monthly rent, escalation %, security deposit, lease start/end dates, CAM charges. Expiry pe renewal follow-up.

Field	Description
Shop + Tenant	Kaunsi shop, kaunsa tenant
Monthly Rent	Base rent + escalation terms
Deposit	Security amount
Lease Period	Start to end date
Charges	CAM/maintenance + utility billing rules

3. Operations Module

3.1 Daily Meter Reading

Navigation Path: Mall Management ► Operation ► Daily Meter Reading

3.1 Daily Meter Reading

Har shop ke electricity/water meters ka reading daily/monthly enter karo — consumption units calculate hote hain pichhle reading se. Billing inhi readings se banta hai.

Field	Description
Shop/Meter	Kaunsa meter
Previous/Current Reading	Consumption auto-calculate
Units + Rate	Kitne unit, kis rate se
Date	Reading date

3.2 Service Bill Entry

Navigation Path: Mall Management ► Operation ► Service Bill Entry

3.2 Service Bill Entry

Tenant ka monthly bill — rent + meter consumption + CAM/service charges + GST. Bill print hota hai, tenant ledger me post hota hai. Payment receive hone pe settle hota hai.

1. Shop/tenant select karo — lease details load
2. Meter consumption add karo (readings se)
3. Rent + CAM + sundry charges verify
4. GST apply — Save & Print bill
5. Payment aaye to settlement entry

4. Appendix

Mall Staff Monthly Cycle

When	Task	Screen
Daily/Weekly	Meter readings enter karo	Daily Meter Reading
Month start	Sb tenants ka bill generate karo	Service Bill Entry
Month start	Rent/lease renewals due check	Lease Agreement
As received	Payments record karo	Service Bill Entry (settle)

When	Task	Screen
Monthly	Defaulters list nikalo — follow-up	Tenant ledgers

Common Scenarios (Training Q&A)

Scenario	Kya karo
Naya tenant aaya	Shop Master me shop already hoga — Lease Agreement entry banao
Meter galat reading daal diya	Reading edit/correct entry (permission ke saath)
Rent badhana hai (escalation)	Lease Agreement me escalation % — auto apply hota hai ya manual revise
Tenant shop khali kar raha	Lease terminate + deposit refund entry + final bill
Bill me GST alag chahiye (shop type wise)	Charge Master me tax code mapping sahi karo

Troubleshooting

Issue	Cause	Solution
Bill me meter units 0 aa rahe	Reading missing	Daily Meter Reading pehle complete karo
Shop bill me nahi dikh raha	Lease inactive/expired	Lease Agreement dates verify karo
Consumption negative	Meter rollover/galat entry	Reading correction karo
Deposit adjust nahi hua	Manual adjustment needed	Final bill me deposit adjustment line daalo

1. Introduction & Module Overview

Members Management module hotel ke loyalty/club membership program ka system hai — members register karna, unhe smart card dena, card me recharge/load karna, aur membership facilities (restaurant discount, room discount) dena. MEMBER FLOW: Category banao (Silver/Gold/Platinum) → Member register karo → Smart Card initialize + issue → Card recharge → Member property me aaye to card se bill/pay karo → Reward points accumulate.

Module Sections Overview

Section	Purpose	Key Screens
MEMBERS	Membership setup	Member Category, Member Master
SMART CARD	Card lifecycle	Card Initialization, Card Registration, Card Recharge, Card Refund
POS LINK	Card usage	POS Reward Points + member billing

2. Members Setup

2.1 Member Category

Navigation Path: *Members* ► *Member Category*

Analysis Demonstration Package (103)
2026-27

Member Category:

Subscription:

Facility Billing:

Short Name:

Surcharge:

Status:

Save

Sl.	Name	Short Name	Subscription	Surcharge	Action
1	Silver	SILVER	Yes	No	Edit Delete
2	Gold	GOLD	Yes	No	Edit Delete

2.1 Member Category

Membership tiers define karo — fees, validity, discounts (room/F&B), reward point earning rate. Har category ke benefits alag ho sakte hain.

Field	Description
Category Name	Silver / Gold / Platinum
Membership Fee	Annual/joining fee
Validity	Kitne saal/months
Discounts	Room % / F&B % member discount
Points Rate	Rs 100 pe kitne reward points

2.2 Member Master

Navigation Path: *Members ► Member Master*

Analysis Demonstration Package (103)
2026-27

Member ID: Application No: Application Date: Membership Date:

Contact Person: Full Name: Father Name: Mother Name:

A/C Name: Under Group: Category: Allow Credit:

Credit Limit: Active: Gender: Date of Birth:

Nationality: Blood Group: Religion: Pancard:

ID Type: ID Number: GSTIN: Black Listed:

Member Photo: Member Signature:

Family Member **Address**

SN	Relation	Prefix	Name	Gender	DOB	Anniversary	Mobile No.	Email	Lvl	Card Issue	Card Valid
1											

2.2 Member Master

Member ka record — personal details, membership no., category, validity, family members, photo. Facility master me member ke available facilities define hote hain.

Field	Description
Member No.	Unique membership ID
Name + Contact	Personal details
Category	Silver/Gold etc.
Validity	Expiry date — renewal reminder
Status	Active / Expired / Cancelled

3. Smart Card Module

3.1 Card Initialization

Navigation Path: *Smart Card* ► *Card Initialization*

3.1 Card Initialization

Naye blank cards system me register karo — card number/serial. Ye inventory of cards hai jo issue honge.

Field	Description
Card Serial No.	Physical card ka number
Card Type	Member / Prepaid / Staff
Status	Available / Issued / Blocked / Lost

3.2 Card Registration (Issue to Member)

Navigation Path: *Smart Card* ► *Card Registration*

3.2 Card Registration (Issue to Member)

Card ko member se link karo — member select karo, card serial assign karo. Ab member is card se identify hoga aur POS/Front Office me discount/points milega.

1. Member select karo (master me registered)
2. Available card serial assign karo
3. Activate — card member ke naam pe live

3.3 Card Recharge & Refund

Navigation Path: Smart Card ► Card Recharge / Card Refund

3.3 Card Recharge & Refund

Prepaid cards pe amount load karo (recharge — cash/UPI received). Member card se kharch karta hai — balance deduct hota hai. Membership cancel ho to remaining balance refund (Card Refund screen se). Card Refund screen: membership surrender pe balance refund + card deactivate — audit ke liye refund reason likhna hota hai.

Screen	Use
Card Recharge	Amount load + payment mode + receipt
Card Refund	Membership surrender — balance refund + card deactivate

4. Appendix

Membership Staff Workflow

When	Task	Screen
New member aaye	Category select karke member register karo	Member Master
Card issue	Initialization se card le, member ko register karo	Card Registration
Recharge aaye	Card me amount load karo	Card Recharge
Monthly	Expiring memberships ki list — renewal calls	Member Master (validity filter)
Member visit	POS/FO me member no. — auto discount + points	POS Sale Bill Entry

Common Scenarios (Training Q&A)

Scenario	Kya karo
Member card kho gaya	Card status Lost/Block — naya card issue (re-registration)
Member category upgrade	Member Master me category change — fee difference collect
Reward points redeem	POS billing me points redemption (Reward Parameter rules)
Membership renew hui	Validity extend + renewal fee receipt
Card balance wrong dikha	Recharge history verify — discrepancy entry karo

Troubleshooting

Issue	Cause	Solution
Card me discount nahi mil raha	Category/POS parameter mapping	Member Category discount + POS Reward Parameter check
Recharge balance update nahi hua	Save nahi hua	Recharge history me entry verify
Member duplicate ban gaya	Search se check nahi kiya	Duplicate deactivate karo, points merge (admin)
Points redeem nahi ho rahe	Minimum balance/rule	Reward Parameter me redemption rules dekho

Contact & Support	9

1. Introduction & Module Overview

Night Audit din ka business close karne ka process hai — hotel ka 'day end'. Raat ko ek designated auditor ye karta hai: 1. Saare outlets ke settlements verify karna 2. In-house guests pe room charges + plan meals post karna 3. Departures/no-shows handle karna 4. Reports (Daily Report, FOCC) print karna 5. Software date aage badhana (rollover). Analysis HMS me Night Audit ek guided process hai — Charges Posting (Shift+C) se shuru hota hai aur Night Audit Process (Shift+N) se complete hota hai. Galat ho jaye to Reverse Night Audit se rollback kiya ja sakta hai.

Module Sections Overview

Section	Purpose	Key Screens
OPERATION	Day close process	Charges Posting (Shift+C), Night Audit Process (Shift+N), Reverse Night Audit, Account Posting
REPORTS	Day-end reports	FOCC Report, Daily Report, Credit Report, Feedback Report, Service Request Register
LOG	Audit trail	Night Audit Log, Charges Remove Log
GST	Compliance	GSTR-1

Night Audit Data Flow (Technical Understanding)

Step	Database	Kya hota hai
Room charges post	guestfolio	Har in-house room pe daily rent + plan meals entry
Software date advance	nightauditlog	Nayi business date ka log entry
No-show handling	roomocc/reservations	Aa na sake guests ki status update
Audit trail	kotlog, sale1log	Kya kya hua din bhar — immutable logs

2. Operations Module — Day Close Process

2.1 Charges Posting (Shift+C)

Navigation Path: *Night Audit* ► *Operation* ► *Charges Posting*

2.1 Charges Posting (Shift+C)

Night audit ka pehla step — saare in-house rooms pe aaj ka room rent + plan meals (CP/MAP/AP ke hisaab se) automatically post hota hai. Extra charges (restaurant, laundry) already folio me hote hain. Yahan se manual charge bhi post ho sakta hai.

Field	Description
Date	Kis date ka charge post karna
Room/Folio	Kis room pe
Charge Head	Room Rent / Breakfast / Dinner etc.
Amount	Rate/plan based (auto) ya manual
Post All	Ek click me saare rooms pe — bulk posting

2.2 Night Audit Process (Shift+N) — Main Process

Navigation Path: *Night Audit* ► *Operation* ► *Night Audit Process*

2.2 Night Audit Process (Shift+N) — Main Process

Day close ka master wizard — step by step checks chalte hain: pending KOTs, unsettled bills, no-show processing, room charge posting verify, date rollover. Har step pass hone ke baad hi next step hota hai.

Check/Step	Kya hota hai
Pending KOTs	Kisi outlet ka KOT bill pending to pehle settle karo
Unsettled bills	Settlement pending bills clear karo
No-show	Aaj ki non-arrived reservations no-show mark
Charges verify	Sab rooms pe rent post hua?
Date Rollover	Software date +1 — naya business day shuru

2.3 Reverse Night Audit

Navigation Path: *Night Audit* ► *Operation* ► *Reverse Night Audit*

2.3 Reverse Night Audit

Galti se audit ho gaya (koi charge miss/post galat)? Reverse se pichhle audit rollback hota hai — date wapas aati hai, corrections karo, phir dobara audit. Restricted permission hoti hai (manager/admin).

1. Reverse karne ki date select karo
2. Reason likho (log me save hota hai)
3. Confirm — date rollback + charges reverse
4. Correction karo → dobara Night Audit Process chalao

2.4 Account Posting

Navigation Path: *Night Audit* ► *Operation* ► *Account Posting*

2.4 Account Posting

Day ke revenue heads ko finance ke ledger accounts me post karna — room revenue, F&B revenue, tax heads. Ye FO/POS aur Finance module ka bridge hai.

Field	Description
Revenue Head	Room Rent, F&B, Laundry etc.
Ledger Account	Finance me kaunse ledger me post hoga
Amount/Period	Kis date range ka posting

3. Reports Module

3.1 Day-End Reports

Navigation Path: *Night Audit* ► *Reports*

Daily Report — manager ka morning report

Report	Kya dikhata hai
FOCC Report	Foreign & Indian guest count — FRRO/police compliance data
Daily Report	Manager report — occupancy, ARR, revenue, arrivals/departures, collection
Credit Report	Credit/City ledger balances — company wise pending
Feedback Report	Guest feedback QR submissions ka summary
Service Request Register	Guest requests — status wise
Daily Service Summary	Service performance summary

4. Logs & GST

4.1 Audit Logs

Navigation Path: *Night Audit* ► *Log*

4.1 Audit Logs

Night Audit Log: kab kaunsa audit hua, kisne kiya, kitni date aage badhi. Charges Remove Log: kaunsa charge kisne remove kiya — audit control. Ye dono dispute/audit ke waqt evidence hote hain.

Log	Use
Night Audit Log	Audit history — date, time, user
Charges Remove Log	Charge deletion trail — user + reason

4.2 GSTR-1

Navigation Path: *Night Audit* ► *GST Reports* ► *GSTR-1*

4.2 GSTR-1

GSTR-1 format me invoice-wise outward supply data — accountant ise JSON/Excel me export karke GST portal pe file karta hai. B2B (company GSTIN) aur B2C alag sections me aate hain.

Field	Description
Period	Kis month ka GSTR-1
B2B/B2C	Registered vs unregistered guests invoices
Export	Portal-ready format

5. Appendix — Night Auditor Checklist

Night Shift Checklist (Sequence me)

Order	Task	Screen
1	Sab outlets ke unsettled bills clear karo	Settlement Entry (POS)
2	Pending KOTs check karo	Pending KOT (POS)
3	Aaj ke expected departures settle hue?	Expected CheckOut (FO)
4	Non-arrivals (no-show) mark karo	Reservation List (FO)
5	Charges posting — rent + meals	Charges Posting (Shift+C)
6	Cash/counter summary match	Cashier Reports
7	Night Audit Process run karo	Night Audit (Shift+N)
8	Daily Report + FOCC print karo	Reports
9	Account posting verify	Account Posting
10	Log entry check — sab theek?	Night Audit Log

Common Scenarios (Training Q&A)

Scenario	Kya karo
Audit chalte waqt pending KOT dikha	Rok kar pehle POS me us KOT ka bill/void karo, phir audit resume
Kisi room ka rent post nahi hua	Reverse audit karo ya manually Charges Posting se us room pe post karo
Date aage badh gayi par koi bill miss hua	Reverse Night Audit → correction → re-audit
No-show guest baad me aa gaya	Reservation List me status wapas confirm → check-in (ya nayi booking)
Account posting me revenue mismatch	Revenue heads vs ledger mapping verify karo — FA Parameter

Troubleshooting

Issue	Cause	Solution
Night audit process ruk jata hai	Pending bills/KOT	Wizard ka error message padho — wo screen pe jao clear karo
Date double advance ho gayi	Audit do baar chala	Reverse audit se rollback karo
Charges duplicate post hue	Double posting	Charges Remove Log dekho, galat remove karo (log me jayega)
GSTR-1 me invoice missing	Bill date period bahar	Period select sahi karo
Credit report me company nahi	Bill direct settle ho gaya	City ledger posting verify karo

1. Introduction & Module Overview

POS (Point of Sale) module hotel ke saare F&B outlets ka complete billing system hai — Restaurant, Bar, Room Service aur speciality outlets (jaise TADKA). Analysis HMS me POS ka workflow hai: Guest

order deta hai → Captain/Waiter KOT banata hai (Kitchen Order Ticket) → Kitchen item banata hai → Bill generate hota hai → Settlement (Cash/UPI/Card/Room) hota hai. Room settlement me bill direct guest ke folio me post ho jata hai. POS OUTLETS (Property 103 demo me): RES103 = Restaurant | RS103 = Room Service | BA103 = Bar | TAD103 = TADKA (speciality). Har outlet ka apna menu, tables, rates aur settings hote hain — par system same hai.

Module Sections Overview

Section	Purpose	Key Screens
OUTLETS	Outlet-wise billing screens	KOT Entry, Sale Bill Entry (har outlet ka)
OPERATIONS	Daily F&B workflow	Settlement, Table Change/Booking, KOT Transfer, Display Table, Bill Lockup, Payment Received, Service Desk
REPORTS	Daily sales audit	Sales Register, Item-wise Sale, KOT reports, Discount Report
MIS	Management analytics	Sale Summary, Void Bills, Table-wise Sale, Reward Points
TAX	GST compliance	Tax Report, Tax Summary
SETUP (Main Setup)	Outlet & menu configuration	Outlet Setup, Table Master, Menu Items, Happy Hours, Reward Parameter

POS Data Flow (Technical Understanding)

POS ki har entry database me in tables me jaati hai — training me ye samajhna zaroori hai:

Aap kya karte ho	Database Table	Kya store hota hai
KOT banate ho	kot	Item, qty, rate, waiter, outlet, pending status
Bill banate ho	sale1	Outlet, table, party/room, total, discount, tax, net amount
Tax calculate hota hai	sale2	Item-wise tax breakup (CGST/SGST slab wise)
Menu setup (admin)	itemmast, itemgrp	Items, groups, rates, dishtype
Sundry/charges	sundrymast	Service charge, extra charges rules

Key Benefits

- Touch-friendly fast KOT entry — table wise order
- Multi-outlet support — ek system se sab outlets
- Room settlement — restaurant bill direct guest folio me
- Live table status — kaunsi table busy/free
- KOT transfer — galat table/outlet ka order transfer karo
- Happy hours & reward points auto-calculation
- Complete audit trail — deleted/void bills ke log
- GST ready — tax reports direct filing ke liye

2. Login & Navigation

Analysis HMS Login Screen

Login Steps (Training Exercise 1)

Step	Action	Details
1	Browser kholo	https://analysishms.com → Login
2	Username / Password	POS user credentials (demo: sa/balaji)
3	Property ID	103
4	Sidebar me 'Point Of Sale' expand karo	Room Service / Restaurant / Bar / TADKA / Operations / Reports / MIS / Tax

POS Menu Structure

- Point Of Sale → Room Service (RS103): Kot Entry, Sale Bill Entry, POS Bill Reprint, Display Table, Kot Transfer
- Point Of Sale → Restaurant (RES103): Sale Bill Entry, POS Bill Reprint, Settlement Entry, Kot Entry, Table Change Entry, Table Booking, Bill Lockup, Display Table, KOT Transfer, Payment Received
- Point Of Sale → Bar (BA103): Restaurant jaise hi saare screens
- Point Of Sale → TADKA (TAD103): Restaurant jaise hi saare screens
- Point Of Sale → Operations: Service Desk
- Point Of Sale → POS Reports / MIS / Tax Reports
- Main Setup → Point of Sale: Outlet Setup, Table Master, Menu Items, Session Master, NC Type, POS Parameter, Happy Hours, Reward Parameter

3. Outlet Screens — KOT & Sale Bill

Har outlet (Restaurant/Bar/Room Service/TADKA) ke liye same screens hain — bas outlet code alag. Restaurant (RES103) example se samjho.

3.1 KOT Entry (Kitchen Order Ticket) — Sabse Zyada Use Hone Wali Screen

Navigation Path: Point Of Sale ► Restaurant ► Kot Entry

3.1 KOT Entry (Kitchen Order Ticket) — Sabse Zyada Use Hone Wali Screen

Guest ka order yahin se kitchen jata hai. Table select karo → items pick karo → qty set → Save KOT. KOT print hota hai aur kitchen order shuru kar deta hai. Bill baad me banta hai.

Field/Section	Description
Outlet & Date/Time	Kaunsa outlet, current time, KOT number
Table No. / Token	Kaunsi table ka order (Room Service me Room No.)
Waiter/Captain	Kaunsa staff order le raha hai
Item Selection	Group (Starters/Main/Dessert) → item pe click → qty
Save KOT	KOT save + print — kitchen ko jata hai
Delete/Cancel	Galat KOT cancel karo (log me record hota hai)

3.2 Sale Bill Entry — Bill banana

Navigation Path: Point Of Sale ► Restaurant ► Sale Bill Entry

Sale Bill Entry — Restaurant outlet (RES103)

KOT ke items bill me convert karo: Table/Bill No. load karo → items verify karo → discount agar ho → Bill Print ya Room Charge (guest folio me post).

Section	Function
Search	Room No. / Guest Name / Bar Code se bill dhundo
Items Table	KOT se aaye items — qty, rate, amount edit (authorized)
Charges Summary	Discount, Service Charge, CGST, SGST, Round Off, Net
Bill Print	Thermal/regular printer pe bill
Settlement	Cash/UPI/Card se turant payment
Room Charge	In-house guest ka bill folio me post karo
Delete	Bill cancel (permission + reason ke saath)

3.2b Room Service Sale Bill (RS103)

Navigation Path: Point Of Sale ► Room Service ► Sale Bill Entry

3.2b Room Service Sale Bill (RS103)

Room Service ka bill direct guest ke room folio me jata hai — table ki jagah Room No. search hota hai.

Field	Description
Room No. Search	In-house guest ka room
Items	KOT se loaded items
Post to Folio	Bill seedha guest folio me

3.2c POS Bill Reprint (Restaurant)

Navigation Path: Point Of Sale ► Restaurant ► POS Bill Reprint

3.2c POS Bill Reprint (Restaurant)

Purane POS bills dobara print karo — Year + Bill No. se search karke reprint.

1. For Year select karo
2. Bill No. enter karo
3. Search — bill load
4. Print click karo

3.3 Outlet Variations (Bar / Room Service / TADKA)

Same screens, different outlet code. Room Service me table ki jagah Room No. hota hai aur bill direct room folio me jata hai. Bar me happy hours rates auto-apply hote hain.

Outlet	Code	Khaas Baat
Restaurant	RES103	Tables, dine-in, full menu
Room Service	RS103	Room-wise orders, folio posting default
Bar	BA103	Happy hours, liquor menu
TADKA	TAD103	Speciality kitchen outlet

3.4 Outlet Setup & Table Master (Admin)

3.4 Outlet Setup & Table Master (Admin)

Outlet Setup me outlet bante hain (name, code, type, printers). Table Master me har outlet ki tables define hoti hain (table no., capacity, zone). Menu Item screen se items aur rates manage hote hain, POS Parameter se module behaviour.

Setup	Fields
Setup Outlet	Outlet name, code, type (Rest/Bar/RS), bill printer, KOT printer
Table Master	Outlet, table no., seats, zone/section
Menu Item	Item name, group, category, rate, tax code, bar code
Happy Hours	Time slot + discount/offer rules
Session Master	Breakfast/Lunch/Dinner time slots (rate alag ho sakte hain)
NC Type	Non-chargeable KOT ke reasons (complimentary, staff, wastage)

4. Operations — Daily F&B Workflow

4.1 Settlement Entry

Navigation Path: Point Of Sale ► Restaurant ► Settlement Entry

4.1 Settlement Entry

Pending bills ka payment record karo: Year + Bill No. → payment mode select → amount → narration → Submit. Pending Bill Details me Total/Paid/Balance dikhta hai.

Field	Description
For Year + Bill No.	Kaunsa bill settle karna hai
Charge/Payment Mode	Cash in Hand / Cheque / UPI / Credit Card
Table No.	Bill ki table (auto-load)
Amount	Payment received
Narration	Optional note

4.2 Table Change Entry

Navigation Path: Point Of Sale ► Restaurant ► Table Change Entry

4.2 Table Change Entry

Guest table badalne maange: purani table se saare KOTs naye table pe transfer karo. Bill aur items naye table ke naam ho jate hain.

5. Purani table select karo — uske KOTs load honge
6. Nayi table select karo (khali honi chahiye)
7. Confirm — items transfer ho jayenge

4.3 Table Booking

Navigation Path: Point Of Sale ► Restaurant ► Table Booking

4.3 Table Booking

Advance table booking: date/time, guest name, mobile, table, persons. Arrival pe booking se KOT shuru karo. Cancel bhi possible hai.

Field	Description
Booking Voucher No.	Auto-generate
Date/Time	Booking kis liye
Table	Kaunsi table reserve
Guest + Mobile	Contact details
Status	Booked / Arrived / Cancelled / No-Show

4.4 KOT Transfer

Navigation Path: Point Of Sale ► Restaurant ► KOT Transfer

4.4 KOT Transfer

Galat table/outlet pe KOT ban gaya? Table-to-table ya outlet-to-outlet transfer karo. Room Service ke orders bhi restaurant me transfer ho sakte hain (vice versa).

8. Source table/outlet se KOT select karo
9. Destination table/outlet select karo
10. Transfer confirm karo

4.5 Display Table

Navigation Path: Point Of Sale ► Restaurant ► Display Table

4.5 Display Table

Outlet ka live floor map — kaunsi table free, kaunsi pe KOT pending, kaunsi pe bill pending. Captain/waiter isi se tables track karte hain.

Status

Matlab

Status	Matlab
Free/Green	Table khali hai
Occupied	Guest baithe hain, KOT chal raha hai
Bill Pending	KOT ho gaya, bill nahi bana
Settled	Bill ho gaya, table free kar do

4.6 Bill Lockup & Payment Received

Navigation Path: Point Of Sale ► Restaurant ► Bill Lockup / Payment Received

4.6 Bill Lockup & Payment Received

Bill Lockup: purane bills ki detail lookup (edit nahi hota). Payment Received: advance/partial payments record karna — guest ne pehle paisa de diya ho.

Screen	Use
Bill Lockup	Year + Bill No. se purana bill dekho — items, tax, settlement
Payment Received	Outlet advance cash record karo — baad me bill me adjust

4.7 Service Desk

Navigation Path: Point Of Sale ► Operations ► Service Desk

4.7 Service Desk

Guest service requests (housekeeping/maintenance type) ka single window — requests accept/reject aur status track. QR-based guest portal se aayi requests bhi yahin dikhti hain.

Action	Description
New Request	Guest ki request register karo
Accept/Reject	Request process karo
Status Track	Pending / In-Progress / Done

4.8 Complete Order-to-Bill Flow (Training Flow)

- Guest aaya — Table Booking ya walk-in
- KOT Entry me table select karke order do (kitchen ko jayega)
- Extra items aaye to naya KOT same table pe
- Guest ne table change ki — Table Change Entry
- Bill banana ho — Sale Bill Entry me table load karo
- Payment — Settlement Entry (Cash/UPI/Card) ya Room Charge (folio me)
- Bill print — guest copy
- Display Table me table free ho gayi

5. Reports Module — Daily Sales Audit

5.1 Available Reports

Navigation Path: Point Of Sale ► POS Reports

POS Sales Register

Report	Kya dikhata hai
Sales Register	Date-wise saare bills — amount, mode, cashier
Settlement Summary	Payment mode wise collection (Cash/UPI/Card/Room)
Item Wise Sale	Kaunsa item kitna bika — qty + amount
Deleted and Unsettled Bill	Audit report — deleted/void/pending bills
NC KOT Report	Non-chargeable KOTs — reason wise (complimentary etc.)
KOT Wise Details	Har KOT ka detail — kab, kaunsi table, kya order
Pending KOT	Jin KOTs ka bill abhi nahi bana
Sale Bill Change Report	Bill me kya-kya edit hua (audit trail)
Discount Report	Kaunse bill pe kitna discount — kisne diya
Item Wise Change Report	Item-level modifications ka audit

5.2 MIS Reports

Navigation Path: Point Of Sale ► POS M.I.S.

5.2 MIS Reports

Management analytics — owner/GM ke liye revenue intelligence.

Report	Kya dikhata hai
Sale Summary	Outlet-wise revenue summary — total, tax, net
Void Bills	Cancel hue bills — kaun, kab, kyun
Table Wise Sale	Kaunsi table kitna revenue deti hai
Reward Point Report	Member reward points earn/redeem

5.3 Tax Reports (GST)

Navigation Path: Point Of Sale ► Tax Reports

5.3 Tax Reports (GST)

F&B GST compliance — Tax Report (bill-wise tax detail) aur Tax Summary (slab-wise consolidation: 5%/12%/18%). Accountant GSTR-1 filing me use karta hai.

Report	Use
Tax Reports (taxreportpos)	Bill-wise CGST/SGST detail
Tax Summary	Slab-wise monthly summary — filing ke liye

6. Appendix — Training Reference

Restaurant Staff Daily Workflow

Time	Activity	Screen
Shift start	Pending KOT aur unsettled bills check karo	Pending KOT / Settlement Entry
All day	Order aaye to KOT banao	KOT Entry
All day	Table status dekho	Display Table
Guest jaate waqt	Bill banao aur settle karo	Sale Bill Entry → Settlement
In-house guest	Room charge pe bill bhejo	Sale Bill Entry → Room Charge
Shift end	Cash match karo	Settlement Summary
Day end	Sales register print karo	Sales Register

Common Scenarios (Training Q&A)

Scenario	Kya karo
Guest ne galat item order kiya, KOT ban gaya	Kitchen ko batao, naya KOT me correction; void/cancel permission se
Bill me rate galat hai	Sale Bill Entry me edit (authorized user hi), Sale Bill Change Report me log aayega
Guest bill ke baad table badalna chahta hai	Pehle settlement, phir naye table pe naya order
Complimentary order (koi charge nahi)	KOT me NC Type select karo — NC KOT Report me aayega
Restaurant bill guest ke room me	Sale Bill Entry → Room Charge → foliono verify karo
KOT pending dikh raha hai par bill ban gaya	Refresh karo; phir bhi issue ho to Pending KOT report me bill no. check karo

Troubleshooting

Issue	Cause	Solution
KOT save nahi ho raha	Table already bill pending	Display Table me status dekho / bill pehle banao
Item list khali	Menu items is outlet me map nahi	Main Setup → Menu Item me outlet assign karo
Bill print nahi ho raha	Printer config	Outlet Setup me printer path verify karo
Room charge nahi mil raha	Guest in-house nahi	Front Office me room occupied hona chahiye
Tax galat lag raha hai	Item ka tax code wrong	Menu Item me tax code sahi karo
Settlement me bill nahi dikh raha	Wrong year	For Year sahi select karo

1. Introduction & Module Overview

Reservation module future bookings ka system hai — guest aaj call kare aur agle hafte ka room book kare, to wo entry yahin hoti hai. Front Office ka extension hai: reservation check-in pe convert hoti hai. Analysis HMS me Reservation flow: Enquiry → Booking create (guest + room type + dates + advance) → Confirmation → Arrival day pe Front Office me Check-In → No-show/cancellation handling. Channel Manager (EXTRAS me) OTA bookings bhi isi me pull hoti hain.

Module Sections Overview

Section	Purpose	Key Screens
OPERATIONS	Booking banana aur manage karna	Reservation form (Shift+Q), Reservation List, Look Up Rooms
REPORTS	Arrival/forecast analysis	Arrival List, Lookup Room Type, Advance Report, Occupancy Forecast

Reservation Data Flow (Technical Understanding)

Aap kya karte ho	Database	Kya hota hai
Booking create	guestfolio + roomocc	Reservation entry banti hai (chkoutdate, status)
Advance lena	guestfolio (advance entry)	Advance amount folio me credit hota hai

Aap kya karte ho	Database	Kya hota hai
Quick add company/agent	guestprof	Company/Travel agent profile banta hai
Check-in pe convert	roomocc update	Reservation se in-room ban jata hai

Key Benefits

- Shift+Q se 2 second me naya reservation form
- Room availability live — Look Up Rooms se
- Advance/deposit tracking with receipts
- Occupancy forecast — aane wale dinon ka room/sold picture
- Company/Agent quick-add — booking ke waqt hi profile
- Cancellation letter aur reservation card printing
- OTA (channel manager) integration ready

2. Login & Navigation

Analysis HMS Login Screen

Login & Menu

Step	Action
1	https://analysishms.com → Login (user/pass/property 103)
2	Sidebar me 'Reservations' expand karo
3	Operations: reservation(Shift+Q), Reservation List, Look Up Rooms
4	Reports: Arrival List, Look Up Room type, Advance Report, Occupancy Forecast

3. Operations Module

3.1 Reservation Form (Shift+Q) — Main Screen

Navigation Path: Reservations ►Operations ►reservation(Shift+q)

3.1 Reservation Form (Shift+Q) — Main Screen

Naya booking yahin banta hai. Guest details, stay dates, room type/nos, rate aur advance — sab ek form me. Company/Travel Agent/City ke liye quick-add buttons bhi hain (booking ke waqt hi naya profile ban jata hai).

Field Group	Fields	Notes
Stay Details	Check-In Date, Nights, Checkout, Adults, Children, Rooms	Nights badlo to checkout auto-update
Guest Details	Prefix, Name, Mobile, Email, City, Address	Existing guest ho to search karke select karo
Company / Agent	Company, Travel Agent dropdowns + quick-add (+)	Bill To company ho to yahin set karo
Room & Rate	Room Type, Room Nos, Plan, Rate, Tax	Availability type ke hisaab se
Advance	Amount + Payment Mode	Advance Report me track hota hai
Remarks/Status	Remarks, Confirmed/Tentative	Tentative bookings deadline ke saath

3.2 Reservation List

3.3 Look Up Rooms

Dates dalo — kaunse room type me kitne rooms available hain wo dikhata hai. Booking confirm karne se pehle availability yahin verify karo.

Field	Description
From–To Date	Availability check period
Room Type Grid	Total / Booked / Available per type per day

4. Reports Module

4.1 Available Reports

Navigation Path: **Reservations** ► **Reports**

Occupancy Forecast

Report	Kya dikhata hai	Use
Arrival List	Kis date ko kaun arrive hoga — guest, nights, rooms	Morning duty list — pickups/rooms ready
Look Up Room Type	Type-wise availability calendar	Overbooking se bachna
Advance Report	Kaunse booking pe kitna advance liya	Finance reconciliation
Occupancy Forecast	Aane wale dinon ka occupancy % (on-the-books)	Pricing/OTAs decisions

4.2 Report Filters

Filter	Options
Date Range	From–To
Room Type	All / specific
Source	Direct / OTA / Agent / Company
Export	Print / Excel / PDF

5. Appendix — Training Reference

Reservation Staff Daily Workflow

Time	Activity	Screen
Morning	Aaj ke arrivals ki list print karo	Arrival List
Morning	Tentative bookings confirm karo (deadline check)	Reservation List
All day	Naye bookings banao — call/OTA/walk-in enquiry	Reservation (Shift+Q)
All day	Advance receive karo aur record karo	Reservation form / Advance Report
Evening	Agle 7-30 din ka forecast dekho	Occupancy Forecast
OTA sync	Channel manager bookings verify karo	EXTRAS → Channel Manager → Data Push

Common Scenarios (Training Q&A)

Scenario	Kya karo
Guest ne dates change ki	Reservation List → Edit → nayi dates → save (availability check)
Guest cancel kar raha hai	Reservation List → Cancel → cancellation letter print (policy ke hisaab se advance refund note)
Guest no-show ho gaya	Status No-Show karo — night audit auto bhi karta hai (parameter ke hisaab se)
Corporate booking — bill company ko	Company dropdown select ya quick-add + Bill To = Company
OTA se booking aayi	Channel manager se auto; manually aayi ho to source OTA select karo
Advance cash mila	Reservation form me advance ya Front Office → Advance Deposit Entry

Troubleshooting

Issue	Cause	Solution
Reservation save nahi ho raha	Required fields missing	Guest name + mobile + dates + room type check karo
Room type me availability 0	Us date ko rooms full	Look Up Rooms me alternate type/date dekho
Advance report me nahi dikh raha	Advance save nahi hua	Reservation edit karke advance entry verify karo
Check-in me reservation nahi mil rahi	Date ya status filter	Reservation List me date range aur status check karo
Double booking ho gayi	Manual entry + OTA clash	Ek cancel karo; Look Up Rooms se pehle verify karna habit banao
